Fair Queen Voting Tops Last Year's

Voting for the Fayette County Fair Queen came to an end at noon today — Thursday — when the ballot boxes in the 48 participating places of business were picked up and taken to headquarters for counting.

Although the final day's ballots have not yet been tabulated, tel-

Goldfine Points To Truman Aide

Millionaire Tells Of Previous Dickering

WASHINGTON (AP)—Bernard Goldfine testified today he was at the White House more often during the Truman administration than since the Eisenhower administration took over.

Goldfine said he had contacted John W. Steelman, chief aide to President Truman, in his efforts to get a \$12 million Reconstruction Finance Corp. loan for a garage under Boston Common.

"The result was very good," he said, adding that the RFC gave him a commitment for the loan although it later fell through.

Goldfine said he had numerous lunches and dinners with Steelman at Washington hotels after it was suggested to him by a Boston bank stockholder that Steelman might help him out with the government loan.

Meanwhile, congressional sources said another series of public hearings appears certain on alleged attempts to gain favors through presidential assistant Sherman Adams.

THIS WOULD be separate from the current inquiry by a special House Commerce subcommittee, which recalled Goldfine for another day of questioning.

Both Adams and Goldfine, a Boston textile and real estate millionaire, have denied that Adams sought or obtained favored governmental treatment for Goldfine, a long-time friend.

The Investigations subcommittee of the House Armed Services Committee today had its staff sifting files relating to the settlement at a reduced rate, of an Army penalty against Raylaine Worsted, Inc., Manchester, N. H. The firm is now defunct.

2 Men Held In Slaying Of Waitress

CINCINNATI (AP)—Two men are in custody but the mystery of the slaying of Miss Patricia Brashear, 22, still plagued investigators in the Hamilton County sheriff's office today.

The decomposed body of Miss Brashear, an unemployed waitress, was found in a thicket along a county road near here last Friday. She had been shot through the head.

The body was not identified positively until Wednesday.

Meanwhile, investigators had picked up Ralph Cox, 32, after finding his picture in her room. Officers said he admitted seeing her June 28. Then Kenneth L. Thompson, 26, formerly of Norwood, who had been sought in the case, surrendered to police at Dayton.

Thompson had been sought after a waitress and a horse track groom identified his picture as that of a man who told them about three weeks ago he had seen a woman thrown from a late model Mercury automobile. The cafe where Thompson told his story is only about two miles from where Miss Brashear's body was found.

Sheriff's investigator Carl Meyer said Thompson admitted he pushed a drunken woman from his car June 22 but that the incident was not near where Miss Brashear's body was found.

Cox was held under \$50,000 bond as a material witness. The questioning of Thompson was being continued.

Thompson said he did not know he was wanted in the case until Wednesday. Both he and Cox have Mercury automobiles. Meyer said Cox also owns two revolvers.

Mideast Pot Continues To Boil Ominously

Rapid Developments See British Send Troops into Jordan

By THE ASSOCIATED PRESS

That caldron of trouble since ancient days, the Middle East, continued to boil ominously. Developments were at every turn. No observer dared a prediction as to the future.

The developments saw British troops land in Jordan today to thwart a reported plot against King Hussein.

U.S. forces flew into Turkey.

Russia plans big military maneuvers on its frontiers nearby.

The United States had 3,400 Marines in Lebanon, and more than 1,000 combat-ready paratroopers in Turkey with more on the way.

The British Navy's 43,000-ton aircraft carrier Eagle neared Lebanese waters where the U.S. 6th Fleet, the most powerful ever assembled in the Mediterranean, is on guard. Other British warships and fighting men were gathered in a big buildup of power in the eastern Mediterranean.

Young King Hussein of Jordan called for help against a mounting wave of anti-Western Arab nationalism that threatened and killed his cousin, Faisal II, in Iraq Monday.

Macmillan said Hussein had appealed to the United States as well as to Britain for military help to block the threat against his state.

The prime minister said British troops were being sent by air from Cyprus.

Macmillan said the U.S. government was considering Jordan's request for help.

Macmillan gave the House of Commons this account: President Nasser's United Arab Republic was behind a conspiracy against Jordan. Jordan's territorial integrity was threatened by Syrian forces. Britain's decision to send troops is being reported to the United Nations.

"We are making it clear that if arrangements can be made by

BRITAIN ACTED swiftly, flying in paratroopers from Cyprus.

Hussein declared "evil agents" had begun to smuggle in arms and ammunition from the Egyptian-controlled Gaza strip and Syria to start a mutiny in Jordan.

Close on the heels of Hussein's broadcast came a call from the Iraqi rebel-controlled radio in Baghdad for Jordanians to overthrow their monarch.

Baghdad said Hussein "is disrupting our effort to get rid of imperialism" and that Jordan is being occupied by "the forces of imperialism." Baghdad then told the Jordanian people: "It is high time for you to act now."

The Iraqi rebels have proclaimed their solidarity with President Nasser and his republic of Egypt and Syria.

Observers in London believed that Hussein intended to try some sort of military action against the Iraqi rebels. The 23-year-old monarch has proclaimed himself the legal successor to Faisal as head of the Iraq-Jordan Arab union, and Britain reportedly has recognized his constitutional right to act against the rebels.

Increasing concern is felt in official quarters in Washington over the safety of American citizens in Baghdad, the Iraqi capital. There are 624 U.S. officials and dependents, together with 853 non-official Americans, for a total of 1,577 in Baghdad. With persons scattered in other parts of the country there are 1,964 U.S. citizens in Iraq, according to State Department figures.

President Nasser of the United Arab Republic warned Wednesday night that any aggression against the new Iraqi republic would be considered aggression against his Soviet-armed nation.

Akron Skywatchers See Sputnik Crossing

AKRON (AP)—Hundreds of local citizens watched the bright blinking casing of Sputnik III at dusk Wednesday. The Akron-Canton moonwatch team did even better — it saw both the casing and the satellite itself.

The rocket casing is larger and tumbles over and over, creating a blinking effect. Its orbit is shrinking and it is beginning to come closer to the earth. It laps the satellite about every third day.

U. S. Marine Landings Seen Chilling Lebanese Rebels

BEIRUT (AP)—The landing of 3,400 U.S. Marines appeared today to have doused the Lebanese rebellion with cold water, stunning it into temporary paralysis. But there was no reason to believe the rebels were ready to throw in the sponge.

Rather, they seem to be marking time, taking into account their position, possibly even weighing the consequences of firing upon American forces.

The revolution in Iraq gave the rebellion in this little country a tremendous shot in the arm at a moment when it had been faltering.

It is likely that had it not been for the American landing, the rebels might have attempted some sort of strong push to finish off the Western-oriented government of President Camille Chamoun.

There has been sporadic shooting in Beirut between rebels in the Moslem Basta quarter and security forces in Capitol Square, in the center of the city, but that may have been a demonstration by rebel leader Saeb Salam to demolish rumors of a cease-fire.

During the night there was heavy firing for about an hour in the same area. No casualties were reported. U.S. Marines, who had been in the area, had been withdrawn, and were not involved.

Outside Beirut, the rebellion mostly played possum.

In Tripoli, the northern Lebanon key area in the rebellion, there was virtually no shooting Wednesday night or today. Rebel leaders there declined to comment on the possibility of a cease-fire but obviously were waiting to coordinate their information with leaders in Beirut and elsewhere.

Adm. James I. Holloway came ashore today from his flagship, the amphibian group command Taconic.

Brig. Gen. Sidney Wade, commander of the second group of Marines which landed Tuesday afternoon, already was in consultation with local authorities discussing deployment.

It was obvious that Wade, who will command the Marines, must weigh the prospects of sending Americans into the countryside or even into positions inside the capital.

MARINES GO ASHORE IN LEBANON—A woman stands in the foreground as U. S. Marines leave landing craft from the Sixth Fleet and land on Khalde beach near Beirut, Lebanon, to occupy port facilities and other strategic installations. This is a Radioteletype photo.

British Explain Reasons For Landings in Jordan

LONDON (AP)—Prime Minister Harold Macmillan said today British troops landed in Jordan to forestall a plot to oust King Hussein's government.

Macmillan said Hussein had appealed to the United States as well as to Britain for military help to block the threat against his state.

The prime minister said British troops were being sent by air from Cyprus.

Macmillan said the U.S. government was considering Jordan's request for help.

Macmillan gave the House of Commons this account: President Nasser's United Arab Republic was behind a conspiracy against Jordan. Jordan's territorial integrity was threatened by Syrian forces. Britain's decision to send troops is being reported to the United Nations.

"We are making it clear that if arrangements can be made by

the Security Council, to protect the lawful government of Jordan from external threat, the action which we have taken will be brought to an end," he said.

Macmillan said King Hussein's appeal came Wednesday night shortly after Parliament had debated the Mideast emergency.

The English-educated monarch told the British his country was faced "with an imminent attempt by the United Arab Republic" to overthrow his regime, Macmillan said.

Hussein told the British the Jordanians had spotted Syrian troops (Please Turn to Page Two)

Permanent Group Organized To Boost Rt. 62 Improvement

"Maintaining the identity of Route 62 and a high standard of highways in this area is a concern which is legitimate and one you should pursue," Kline Roberts, speaker of the lower house of the Ohio Legislature, told more than 50 representatives of cities and towns along the route from Columbus to the Ohio River at a meeting in Hillsboro Wednesday night.

The meeting was held primarily to form a permanent organization for the new Route 62 Assn. and outline plans for procedure.

Richard R. Willis Jr. of Washington C. H. was elected president and John Aills, also of Washington C. H., was named secretary. The other officers chosen are Robert Lammers, of Hillsboro, vice president and Harold Powell, also of Hillsboro, treasurer.

Fourteen other men were selected for the board of directors, which includes the officers. The directors are Robert B. Mace and Tom Mark of Washington C. H.; Clyde B. McBee and Herman Merwyn of Columbus; Clayton Starr and Frederick Trimble of Mt. Sterling; Pryor Link and Heber Duckwall of

Hillsboro; Arthur Milner and Tom Duncan of Leesburg; Gene Pittenger and D. W. Stephenson of Russellville and Arch Hicks and W. C. Richey of Ripley.

George Blackmore of Washington C. H. was the chairman of the organization meeting.

OTHERS from Washington C. H. at the meeting were Walter Morrow, president of the Chamber of Commerce; Charles P. Wagner, Fayette County engineer; Trent S. Sikes, Alvin Armbrust, James T. Perrill and Lee Altemus.

Blackmore summed up the overall atmosphere of the meeting by saying: "I've never seen so much enthusiasm for any cause of any movement for public betterment."

Rep. Roberts, who also is chairman of the highway committee of the Columbus Chamber of Commerce and counsel of the Ohio Citizens Highway Committee, a statewide organization concerned with highway planning, was the principal speaker at the meeting.

He told the group that Route 62 "is an important route in overall planning of the state's highway system" and described it as one of the main highways between Route 23 on the East and the new north-south freeway between Cincinnati and Toledo.

He also emphasized that it is a major truck and tourist route and commented on its increasing importance now that Rocky Fork Lake has become such a popular recreation area.

Groups working together for the common good, he declared significantly.

'Folsom Man' Evidence Seen In Cincy Area

CINCINNATI (AP)—Two youthful amateur archeologists believe they may have some evidence that the prehistoric Folsom man once ranged in the area around Cincinnati.

The name Folsom man is derived from the fact the first evidence of their presence 6,000 years ago or more was found in 1925 near the town of Folsom, N. M.

They apparently were hunters who kept on the move since most of their tools have been found in isolated spots as if dropped in a chase.

But there had been no evidence that they ever were in this part of the county until Fred Starr, 18, and Eric Carlson, 17, came upon artifacts on a hilltop in the eastern part of the county.

"The hilltop was quite eroded and in yellow clay," Starr said. "I found a number of flakes, two points (spearheads) and a scraper."

Another scraper was turned up in a museum and Starr said he learned it had been given to the museum by a woman whose father once farmed the land in the same area.

Starr said he wouldn't claim definitely that the finds are Folsom artifacts but he added that the tools show the typical fluted workmanship of the Folsom man.

Macmillan said King Hussein's appeal came Wednesday night shortly after Parliament had debated the Mideast emergency.

Yank Naval Force Beefed Up; Russia Plans 'War Games'

By THE ASSOCIATED PRESS

The United States heavily bolstered its naval forces in Lebanese waters today with two aircraft carriers, a heavy cruiser and 16 more destroyers.

This development was revealed after Russia announced it had ordered its land, sea and air forces to start maneuvers Friday in areas bordering Turkey and Iran.

American airborne army troops reached advanced bases in Turkey Wednesday. They had been pulled out from the NATO defense line in Western Germany.

A Soviet Defense Ministry statement said that the Russian war games along the borders of Turkey and Iran were to be held to "maintain the fighting preparedness of the USSR."

The American Navy deployment, the largest single group of warships to reach the Lebanon area, carried Vice Adm. C. R. Brown, commander of the 6th Fleet, in his flagship Des Moines.

THE FLAGSHIP cruiser was accompanied by the giant aircraft carrier Saratoga, the heavy attack carrier Wasp, and a division of destroyers.

In addition to the 6th Fleet commander, the new force included two other admirals. Rear Adm. G. W. Anderson, commander of Carrier Division 6; and Rear Adm. Edward A. Hannegan, commander of Carrier Division 14.

The arrival of this heavy force brought the total number of 6th Fleet vessels in the immediate Beirut area to 44.

The 6th Fleet is the naval arm of the combined Middle East force led by Adm. James L. Holloway, U.S. commander in chief for forces from all branches in the entire area.

The destroyers in the force are the Deal, Cromwell, Hartley, Taussig, John Willis, Van Voorhis, Rich, Basile, Damato, R. L. Wilson, W. M. Wood, Steinaker, Noa, Unew, Lester and H. J. Ellison.

The Russian maneuvers are obviously intended as a show of Soviet military might in frontier zones nearest the disturbed Middle East.

The announcement said the Soviet Black Sea fleet will join in maneuvers in the Transcaucasian military area under Marshal Andrei Antonovich Grechko, recent

commander in chief of all Soviet forces in East Germany.

OTHER FORCES will train in the Turkistan area under Marshal Kirill A. Meretskov, who led a brief Soviet campaign against the Japanese in China and Manchuria at the end of World War II.

Both marshals are high in the councils of the Communist party. Grechko is an alternate member of the Communist party Central Committee and Meretskov is a member of the party's powerful Central Auditing Committee.

## Sweden Seeks To Curb U. N. Lebanon Team

UNITED NATIONS, N. Y. (AP) — The United States and her allies worked today to head off a Swedish proposal that could cripple the U.N. observer force in Lebanon and leave the U.S. Marines there alone.

Swedish representative Gunnar V. Jarring was reported ready to introduce a resolution at the Security Council meeting this afternoon calling for the observers to suspend operations.

Jarring told the Council that the presence of the Marines makes it impossible for the observers to carry out their job of watching the Lebanese borders for any aid slipping through to the Lebanese rebels from President Nasser's United Arab Republic.

Sweden apparently was disturbed that the United States had taken the initiative away from the U.N. by sending in the Marines.

THE SWEDISH proposal had no chance of passing the Council, but the United States reportedly feared that introduction of the resolution might induce some of the 14 countries staffing the 135-man observer corps to pull out their men.

The United States has asked for a U.N. police force to guard Lebanon's borders and has promised to withdraw the Marines if an international force is set up.

The Russians have asked the Council to order the Marines out of Lebanon at once. Their resolution lacks the votes to pass the 11-nation body.

Although Secretary General Dag Hammarskjöld appeared noticeably cool to the U. S. decision to send troops to Lebanon, he did not oppose it as strongly as Jarring and expressed hope the observer group would "retain its key position."

He reported the observers had succeeded in arranging with the rebels for inspection of the entire border area — without help from the Marines.

## British Explain

(Continued from page one) moving toward Jordan territory and claimed a coup against him was planned for today.

British Foreign Secretary Selwyn Lloyd flew to the United States today for the urgent task of coordinating U.S. and British policy in the boiling Middle East.

Landing at New York's Idlewild Airport on the heels of news that British forces had moved into Jordan, Lloyd was non-committal.

Asked if he brought proposals from his government concerning the Middle East, the British diplomat would say only that he was "here for discussions with Secretary of State Dulles."

The White House also announced Lloyd would confer with President Eisenhower.

One issue to be decided in the U.S.-British conferences was what policy to take toward the revolutionary pro-Nasser regime now in control in Iraq. The chief question was whether to seek ways to upset the revolutionaries or to accept their control of the oil-rich country.

Hussein, who is the ranking leader of the Jordan-Iraqi federation since the reported slaying of Iraq's King Faisal by the revolutionaries, broadcast Wednesday night an appeal to the army and people of Iraq "to kill munitions in its cradle and to purify Iraq of traitors."

The broadcast was made after Jordanian leaders had met in an extraordinary Cabinet session at Amman. It indicated they had decided to do everything possible to break the power of the army officer group at Baghdad.

Meanwhile, it was learned here that the remaining Middle Eastern members of the Baghdad Pact (Turkey, Iran and Pakistan) had proposed to the United States their own formula for dealing with the situation. They suggested that the United States, Britain and Turkey jointly put troops into Jordan to bulwark Hussein's position at home and encourage him to undertake operations into Iraq.

## Cuban Rebels Slow In Freeing Yanks

GUANTANAMO, Cuba (AP) — U.S. Consul Park Wollam says it may be a week more before Fidel Castro's rebels release all the U. S. servicemen they kidnapped.

The rebels' idea apparently is to keep Cuban government forces from launching a full-scale attack on their mountain hideouts for as long as possible.

Four more servicemen were returned to the Guantanamo naval base Wednesday by U.S. Navy helicopter after spending 20 days in rebel camps in the mountains of east Cuba. Eighteen sailors and Marines remained behind.

## University Names Dean

CINCINNATI (AP) — Dr. Kenneth Wilson, assistant dean for graduate studies at Michigan State University, was named today to be dean of the University of Cincinnati's College of Business Administration, effective Sept. 1.

## Deaths, Funerals

### Mrs. John David Mongold

Mrs. Eva Elizabeth Mongold, 77, of New Martinsburg died at 1:15 a. m. Thursday in Memorial Hospital here where she had been a patient since Sunday. She had been failing for six weeks.

A native of West Virginia, she had lived in Fayette County for 3 years.

She is survived by her husband, John David Mongold; four sons, Alvin of Washington C. H., Harley of near Jeffersonville, George of South Charleston and John of Bloomingburg; a daughter, Mrs. Hattie Bondurant of Columbus; 27 grandchildren and 13 great-grandchildren. She also leaves three sisters and a brother, all living in Virginia and West Virginia.

Services will be held at 2 p. m. Saturday in the Gregg St. Church of Christ in Christian Union here by the Rev. Arthur George, a former pastor. Burial will be in the Washington C. H. Cemetery under the direction of the Parrett Funeral Home.

Friends may call at the Mongold home near New Martinsburg after 7 p. m. Thursday.

## Pushbutton Tax Return Check Studied

WASHINGTON (AP) — The time may not be far off when a federal tax agent can push a button and tell immediately which tax returns should be doublechecked.

Internal Revenue Commissioner Russell C. Harrington mentioned this possibility today in a statement discussing the big workload handled by electronic machines at Internal Revenue Service offices.

In addition to equipment already in use, Harrington said, his agency's research unit is working on new ways to use electronics in processing tax data.

One such project, Harrington said, is aimed at developing an electronic means of identifying quickly "out of line" returns that need further study to determine whether taxpayers have overpaid or underpaid. He said considerable work already has been done on this project.

Harrington said equipment at three service centers is now doing a large part of the bookkeeping chores once handled by most of the nation's 64 district offices.

The three centers—at Lawrence, Mass.; Kansas City, Mo.; and Ogden, Utah—handled 38 million of the 60 million individual income tax returns filed this year.

This is 16 million more than were processed at these centers last year.

## Rural Postmen Rap Odd Postal Cards

COLUMBUS (AP)—Odd-sized greeting cards may attract buyers and amuse receivers but they only cause headaches for mailmen. And if the Ohio Rural Letter Carriers Assn. has its way, this headache will end.

The association at the closing session of its four-day convention here Wednesday passed a resolution calling for standardizing the size of all greeting cards.

The delegates said the present cards, ranging in size from some not much bigger than postage stamps to huge posters, are not only difficult to carry but are almost impossible for cancelling machines to handle.

## Tires Reported Stolen

Two tires were stolen from a 1958 Cadillac on the lot behind Don's Auto Sales, Clinton Ave. sometime Wednesday night, according to city police. The car was jacked up and both rear tires and wheels were removed, the report said. The car was not damaged.

## FUGITIVES FROM THE FBI

(In co-operation with J. Edgar Hoover, FBI director, this newspaper is running a series of descriptive articles on criminals wanted by the FBI.)

HARVEY CATO is being sought by the FBI for unlawful flight to avoid prosecution for the crime of assault with a deadly weapon.

Cato on the night of June 7, 1956, escaped from the Caswell County Jail, Yanceyville, N. C., where he was awaiting trial for the crime of assault with a deadly weapon with intent to kill.

A complaint was filed before a U. S. Commissioner at Greensboro, N. C., on June 27, 1956, charging the fugitive with flight from the State of North Carolina to avoid prosecution for the crime of assault with a deadly weapon with intent to kill.

Cato, who has used the alias of Wesley Daniels, has worked as carpenter and tobacco hand. He reportedly has a wide gap in his front teeth, is stoop-shouldered, with round face and "bull neck," and is soft spoken and polite.

The wanted man's past crimes have included burglary, house-breaking and larceny. He may be armed and should be considered dangerous.

DESCRIPTION: Age, 49; Born, Whiteville, N. C. (not supported by birth records); Height, 5 feet 8 inches; Weight, 185 to 200; Build, heavy; Eyes, brown; Hair, black, turning gray, balding; Complexion, light brown. Has scar right side of scalp from top of ear to top of head, two warts right ring finger, scar below right shoulder blade, cut scar on right knee and burn scar on back of right knee.

INFORMATION concerning fugitive should be telephoned to the nearest FBI office. Distributed by King Features Syndicate

## Miami Trace Board Says Records Are Always Open

Business at the Miami Trace Board of Education meeting was interrupted momentarily Wednesday night as Sheriff Orland Hays served summons on board members in connection with a Court of Appeals suit brought against its members and clerk by Mrs. Jean C. Rhoad, Mrs. Martha P. Scott and Mrs. Roxanna T. Abbott.

The three had filed a petition in mandamus asking that the court direct the board to permit the petitioners to inspect the board's minute books and records and that the board and clerk be restrained from accepting bids or selling a \$1,652,500 building bond issue until petitioners have opportunity to view the books and make copies. The board sold the bonds last

## Car Hangs on Bridge With Front in Creek

John W. Morris, 36, of 903 Forest St., was driving a car owned by Harry Jake Newland, 44, Sabina, south on Creek Rd. when it slid half-way off the side of the bridge-dam and into Paint Creek. Water was about two feet deep around the car, according to Deputy Sheriff Don Thompson.

Witnesses told Thompson that Newland got out of the car started to walk around it, when he fell into stream on the lower side of the bridge. Passerby had to throw a log chain into the stream to pull him out, the deputy said he was told.

Morris was charged with reckless operation and driving without a license. Newland was cited for allowing an unlicensed driver to operate his car.

Neither the car nor the men were injured. The two passengers with Newland and Morris also escaped injury.

Water was running over the bridge-dam at the time.

## Yank Naval Force

(Continued from page one) ican power in the eastern Mediterranean Wednesday when the 1st Airborne Battle Group of the 24th Division flew in giant Air Force transports to Adana, Turkey, air base.

This base, built for Turkey and her NATO allies, is 300 miles from Lebanon, where 3,600 Marines are already on shore. The eventual destination of the Army troops, 1,600 strong, is still secret and will remain so pending further developments.

While the Army troops were flying eastward, a powerful force from the 2nd Marine Division, Camp Lejeune, N. C., was boarding transports and at least one aircraft carrier near Norfolk, Va., and Morehead City, N. C.

Although the Pentagon officially described the boarding activity as "a readiness exercise," it had all the looks of an emergency embarkation.

Military officers noted the particular significance of one phase of the Norfolk area activity — the movement of Marine helicopters.

THESE WERE flown up from Cherry Point, N. C., and landed directly on the flight deck of the aircraft carrier Antietam.

The Marines already in Lebanon or on ships in nearby Mediterranean waters now have everything to move or fight with — including artillery capable of hurling atomic shells—except enough helicopters. Modern Marine doctrine calls for helicopters to land troops over, instead of on, hostile beaches.

## Cops Given Orders: No Smoking, Reading

HAGERSTOWN, Md. (AP)—Hagerstown cops now have the word: No smoking or newspaper reading in public while on duty. "It doesn't look good for a man to be directing traffic with a cigar or pipe," said the order from Police Chief Blair P. Overton, nor "to see two men riding in a police car with one of them reading a newspaper."

## Redlegs' Birdie Tebbetts Is Hanged In Effigy

CINCINNATI (AP) — Manager Birdie Tebbetts, manager of the Cincinnati Redlegs, who are in seventh place in the National League, was hanged in effigy Wednesday night.

"Down with Birdie," read a card attached to a paper-stuffed shirt and pair of trousers found hanging from a pole in the northeast section of the city. A policeman cut it down and stuffed it into a trash can. Cincinnati has lost seven consecutive games on the current road trip.

## THE BOARD

It has come to our attention that you claim you were refused permission to inspect the minutes of the Miami Trace Board of Education for the reason that we were in litigation and we had been instructed by our counsel not to permit any one to inspect the minutes without a court order.

"This is not correct. When you called at the office you were told that we wished to consult our attorneys before permitting inspection and that we would contact them. This we did and were advised by them to permit you to examine the books. However, you did not personally return to examine them.

"Your attorney, Mr. Griffith, came to our office on July 10 at about 3 p. m. We offered the minutes to him for inspection but he declined to look at them. He asked to see the minutes of the meeting of July 10 which we could not show him for the reason that they had not yet been written.

"This is to advise you that you or any other taxpayer or your attorneys may inspect the minutes at any time."

The board has until Aug. 20 to answer the appellate court suit and until Aug. 9 to answer a Common Pleas Court action filed by Sam. Marting attacking the bond sale.

## Boyer Gets Contract

(Continued from page one) nade and Cuyahoga Falls high schools before going to Loudonville.

Mrs. Clausen, wife of the Methodist minister at Sedalia, is a graduate of Ashbury College, Ky. She will teach while her husband completes his studies at Wittenberg College, Springfield.

It was also disclosed that George Groh, who has been principal at Staunton school, has been assigned as principal at Wilson school. He replaces Wilson Webb, resigned, in the latter position.

The board also offered two-year contracts at the present rate to the six contract bus drivers on a voluntary basis.

MUCH of the other business was concerned with the merger of the New Holland system with Miami Trace.

The Miami Trace board accepted and made a part of its minutes a resolution adopted by the Fayette County board approving and accepting official distribution of New Holland assets and liabilities.

The resolution was accompanied by a check for \$8,519.27 from the Westfall board (the Pickaway County unit which has been administering the New Holland district for several months.) This represented the net balance in the New Holland school fund.

Wilbur Snapp, agent of record, discussed insurance on the two New Holland buildings with the board and recommended \$300,000 coverage for the school buildings, shop and garage. Snapp was asked to make a more detailed investigation of all insurance now in effect and to report back to the board.

Joe Gooley and Ralph Ater were re-employed as New Holland janitors at the same salaries as last year, and Howard Pinkerton, Richard Doyle and Jean Creamer were re-employed as bus drivers on the same pay schedule. Earl Rohrer was designated as a substitute.

The board awarded a contract to the Robinson Co., Delaware, for patch-pointing and waterproofing at the Madison Mills school at a cost of \$3,250; purchased repair parts for the Bloomingburg heating and ventilating plant at a cost of \$266 from the Columbus Heating and Ventilating Co., and accepted Joe Gooley's bid of \$227 for plastering and painting two classrooms and the principal's office at New Holland.

## Redlegs' Birdie Tebbetts Is Hanged In Effigy

CINCINNATI (AP) — Manager Birdie Tebbetts, manager of the Cincinnati Redlegs, who are in seventh place in the National League, was hanged in effigy Wednesday night.

"Down with Birdie," read a card attached to a paper-stuffed shirt and pair of trousers found hanging from a pole in the northeast section of the city. A policeman cut it down and stuffed it into a trash can. Cincinnati has lost seven consecutive games on the current road trip.

## Filipino Convicted In Bigamy Hearing

CLEVELAND (AP)—A young Filipino physician was convicted of bigamy Wednesday by a Cuyahoga County Common Pleas jury of eight men and four women.

Dr. Edgardo Lim, 31, admitted he married nurse Mary Ann Zankofski, 25, last Feb. 21. But he testified that he thought a divorce against his first wife, Ramona, had been granted.

Lim brought his wife and three children to this country from Manila five years ago and was serving as a resident physician at Highland View Hospital.

Following his marriage to Miss Zankofski, his first wife complained to police. Miss Zankofski divorced Lim in June.

## New Space Agency Bill Handed Ike

WASHINGTON (AP) — Legislation creating a new civilian agency to coordinate nonmilitary problems of space exploration is awaiting President Eisenhower's OK.

Eisenhower is almost certain to sign it. The bill, passed in quick succession by both House and Senate Wednesday, gives Eisenhower practically all he requested in an agency to supervise civilian space age efforts.

The bill, a compromise of Senate and House space measures, puts the new space agency under the direct control of the President. He would be advised by an eight-member council, including three experts outside the federal government.

## 4 GIs Die in Crash

ORLEANS, France (AP) — Four American soldiers were killed and 21 injured today when an Army bus collided with a French truck near the village of Olivet.

## 3-Year Limit On Trade Law Seen Coming

WASHINGTON (AP) — Backers of reciprocal trade appeared ready to accept a three-year extension in the Senate and try for more in a conference with the House.

This was one of several points of strategy considered in an effort to win passage of a bill meeting most of President Eisenhower's requests. The House has voted a five-year extension of the program, as Eisenhower asked. Other Senate showdowns also may be avoided as part of the same strategy.

Behind-the-scenes strategy being worked out by Senate Democratic Leader Lyndon Johnson (D-Tex.), Sen. Harry F. Byrd (D-Va.), floor manager for the bill, and Republican Leader William F. Knowland (Calif.) called for only one major floor amendment before final passage. The plans were understood to cover these points:

1. A floor vote to knock out of the bill the provision inserted by the Senate Finance Committee sharply curbing the President's powers to operate the program.

2. No roll call vote on the Senate floor on the length of extension of the act, leaving Senate-House conferees free to accept the five years voted by the House instead of the three years fixed by the Finance committee.

## Route 62 Boosters

(Continued from Page One) ically, are heard in official places and given recognition accordingly.

HE RECOMMENDED that the new Route 62 Assn. study the overall problems of the route and then set up priorities for individual sections of it for development.

It also has been brought out that Route 62 parallels in a general way new north-south freeway from Cincinnati to Cincinnati now under construction. The route will take the limited access divided highway across Fayette County a short distance north of Washington C. H. (The exact location in the county has not yet been determined.)

Route 62 runs from Niagara Falls, N. Y., in the Northeast to El Paso, Tex., in the Southwest. It crosses part of New York, Pennsylvania, Ohio, Kentucky, Missouri, Arkansas, Oklahoma, Texas, New Mexico and back into Texas to end at El Paso.

Although not the longest highway in the country, it is one of the longest and not only goes through scenic country which attracts tourists, but also leads to many national parks and recreation areas.

It was apparent at the meeting that those there felt the future of Route 62 is at stake — that it either will become a main highway or dwindle into one of lesser importance. It also was apparent that they felt the new Route 62 Assn. can be an important factor in determining the future of the highway.

WASHINGTON C. H. men at the meeting agreed that it is unlikely that the association will make specific recommendations for the improvement of the route; rather, they said, state and federal highway department will probably be asked to consider Route 62 as a No. 1 project in the overall highway development program.

Widening and straightening of some of the curves, they said, "undoubtedly will have to be a part of any improvement of the highway."

The board of directors will meet in Washington C. H. on July 23, it was announced, to lay some of the framework for the association's program.

## Examiner Sentenced

CLEVELAND (AP) — Common Pleas Judge John V. Corrigan Wednesday sentenced Ralph E. Switzer, 39, to 1-10 years in Ohio Penitentiary. Switzer, a former state drivers' license examiner, was convicted June 20 of taking bribes from refugees to they could pass license tests.

## Eisenhower's Canadian Trip Worthwhile

There is evidence that the trip of President Eisenhower to Canada and his talks with Prime Minister Diefenbaker there may bring a needed return of the former cordial relations between the two nations.

While the conferences between the President and Prime Minister apparently did not immediately settle a few troublesome questions at issue, it appears that a good start was made in that direction.

Best of all, the very fact that President Eisenhower made the trip to Canada and was apparently well received by the Canadian people, the press and the Canadian Parliament, gives promise that some of the increasing resentment of Canada toward this country for "taking Canadian friendship for granted" is being relieved.

Canada has become a nation both self-respecting and proud of its growing achievements. There seems a strong probability that she had some grounds for grievances as to certain U. S. import restrictions on oil and mineral products along with other goods and services. Also, although Canada welcomes American capital, she does not take kindly to any show

of "domination" by the United States through heavy financial investments there by our capitalists.

Our country's dumping of low - priced and gift wheat on the world market, causing Canada losses, is another thing that has worried our neighbors.

While the President and Prime Minister did not give special attention to these issues, and perhaps were wise in not doing so at this time, they did do some talking that leads to the opinion that the two countries can return to a friendly understanding on most of their mutual problems. That they did agree definitely on the need for national defense cooperation is important.

These two nations, which for so long have shown the world that one country can live next door to another without being on the edge of warfare, need each other's friendship. It is to be hoped that it will long continue.

The economies of these neighbors are so closely interwoven that each needs to exercise care and be constantly watchful toward trying to avoid damaging each other.

## Moonlight Culture Growing

By Hal Boyle

KANSAS CITY, Mo. (AP) — Culture by moonlight is becoming a bigger part of the national entertainment picture.

Outdoor summer dramas are getting to be big business.

"These big productions, live and in color, give people a feeling of opulence they are starved for," said Richard H. Berger, producer of the Starlight Theater here. "They are getting tired of sitting in their living rooms watching small-scale television."

At 53, Berger is one of the most experienced men in this form of after-dark art. Brooklyn-born, he went to the St. Louis Municipal Opera in 1936.

He left St. Louis in 1942 and produced movies in Hollywood and some of the top television shows in New York. In 1951, partly to get away from metropolitan tensions, he took over as producer of the newly built \$14

million Starlight Theater here in historic Swope Park.

The civic-sponsored, nonprofit theater operates on a \$600,000 budget during its 12-week season. Its losses are guaranteed by some 700 business firms, but the venture has more than broken even in five of its eight seasons.

"Rain is your big enemy," said Berger, "and that you can't control. It always seems to rain most the week you've got a high-priced star sure to draw big crowds. Two of three days of rain in a week like that and there goes your season."

"On a capacity night the St. Louis Opera and the Starlight Theater here will have a total of 20,000 customers," Berger pointed out. "That's more than attend all the theaters on Broadway in an ordinary summer week."

"Where is the theater? During the summer it isn't on Broadway. It's out here."

The shows have a six-state audience. People out here will get in their cars and drive 500 miles to see a favorite performer.

Time was when the hinterland clientele was content with revivals of Victor Herbert and Gilbert and Sullivan. Today they demand top Broadway productions.

They also demand and get some of the leading performers in show business.

The summer theaters also are wide open to challenging new talent. The Starlight Theater this week is offering the world premiere of a new musical comedy, "Mark Twain." Drama critics from New York and Chicago flew out to cover the opening.

"It would cost perhaps \$300,000 or more to put such a show on in New York," said Berger. "Here it can be done for \$50,000."

## Canada--Haven of Thieves?

By George Sokolsky

That small arguments cannot dispute the facts established by geography, history and economics ought to be evident to the Canadians as to Americans.

But it is also true that great wars have started over silly things and that statesmen have not always been smarter than small boys when it came to an inch of boundary or a cent of trade.

Statesmen are usually politicians which means that they are protective of their own hides.

Thus, the Canadian situation is important because there is a situation. Actually, all American-Canadian problems ought to be

settled without propaganda, quarrels, threats and silly speeches by politicians in Canada who may gain office by threatening the United States.

The fact is that the United States does not quarrel with Canada, most Americans not giving thought to Canada's distinct existence. It is better that way.

American corporations have invested nearly \$8 billion dollars in Canadian industry, and American private investors have an estimated \$5,317,000,000 in Canadian securities, making a total American non-governmental investment in Canada of approximately 13 billion dollars which is an enormous part of the Canadian economy.

While some of this represents a flight of American capital to a tax haven, few Americans benefit from it.

The exact figures for Canadian investments in the United States are not available because many Canadian-owned companies operating in the United States are registered in Bermuda, Nassau, Panama or Venezuela. If all these facts could be brought together, it would be found that the Canadian investment in the United States is very large.

For instance, 90 per cent of the Canadian-owned whiskey business is done in the United States, and the Canadian newsprint business is an important factor in the American economy. The two countries are so closely related economically that the line between them is not even imaginary.

For instance, Cyrus Eaton's company and George Humphrey's company are operating in Canada in the new iron ore fields, and is Ventures, Ltd., really Canadian or American?

If the subject of Canadian-American relations is treated from an economic standpoint, there is no border between the two countries.

There is a variety of laws, of tariff benefits, of tax benefits which make for trouble rather than for friendly relations between the two countries, but these affect private individuals not the countries per se.

Some men make money out of all kinds of situations even some which lead to war and the death of their own sons. It is a human aberration. We need not have trouble with Canada over that.

The realistic Canadian-American problem is to have abolished all conditions in Canada which make that country a tax haven or which give to a Canadian company or an American-owned Canadian company operating in the United States an advantage over a competing American company.

It is this advantage which is a cause for quarrel between the two countries, particularly as an increasing amount of American-formed capital goes into Canada to return to the United States laden with discriminations against its American competitors.

While this is of some benefit to those companies and the individuals who own them, it is of no advantage to Canada or to the United States, in the end probably depriving both countries of the taxes due them. Once this cause of trouble is cleared away, other issues, such as surplus wheat from which both countries suffer, or the manipulation of currencies, or the dumping of goods in foreign markets, even the sale of contraband and Canadian subsidiaries of American companies, could be adjusted without politics.

It is interesting to note that next to the Norman case, with regards to which Canada was 100 per cent wrong, the biggest issue was the taxing of Cyrus Eaton's iron ore company in which case Canada was probably correct under the law.

Yet from an American standpoint the use of Canada or any other country by Americans as a tax haven is harmful to basic American interests.

It is the tax haven problem that raises moral indignation and makes for real trouble because Americans who pay taxes regard those who use tax havens as thieves who are not carrying their share of the load. It could be said that they are smart to be in that position; but so were Al Capone and Lucky Luciano. Moral criteria have nothing to do with that kind of cleverness.

## You're Telling Me

By WILLIAM RITT

After swiping campaign posters bearing portraits of an Oklahoma gubernatorial candidate, the thieves pasted 'em all over downtown Tulsa sidewalks. Could this be a good omen — that his election will be a walk-over?

During Red China's anti - pest campaign natives swatted a total of 53,822 tons of houseflies. That's quite a display of muscle!

A New Englander recently gave a one-man show of his paintings — all of haunted houses. Must have been quite a spectacle.

A London schoolboy is reported in a juvenile court there to have run away from home 208 times. By now his family should be used to his being the "Little Man Who Isn't There."

Tokyo police nabbed a fellow for releasing a five - foot snake in a government office. He'll have a tough time wriggling out of that charge!

Ham is usually at its best when one year old — Factographs. We, too, prefer those little kid actors.

## Diet and Health

Keep Cool Hot Days And You'll Be Cool

By HERMAN N. BUNDESEN, M. D.

KEEP COOL, man, keep cool! It really doesn't pay to get hot under the collar during these warm summer days.

A temper flare-up at any time of year can cause your body temperature to rise. These temper tantrums produce a heat that is often slow in cooling. Thus, you only add to your hot weather discomfort by becoming angry.

**Normal Temperature**

Warm weather alone will not make your body temperature rise. Under normal circumstances, your body temperature is standardized at about 98.6 degrees Fahrenheit, give or take a bit.

Now changing weather conditions tend to cause your temperature to rise or fall. But a little thermostat control located in your brain immediately starts mechanisms within your body which help maintain normal temperature.

In this automatic adjustment of your body to outside temperature changes, perspiration plays an important part. Evaporation of sweat helps reduce body heat.

means there is more moisture in the air. This impedes evaporation of perspiration and, consequently, less heat leaves your body on these days. That's why humid weather is generally more uncomfortable than warm, dry weather.

**Clothing and Food**

You can help evaporation of perspiration by wearing light, loose and porous clothing. Another good idea is to cut down on the amount of food you eat during these hot weather days, since body heat is produced by metabolism, or the burning of foodstuffs.

Be sure you get proper nourishment, however. You can't blame that feeling of being "pooped" entirely on the heat. If you are tucked out all the time, it simply means that you are not getting enough fuel to keep your body mechanism functioning properly.

**QUESTION AND ANSWER**

C. V.: I have always thought that coronary heart disease occurs only in older persons. Is it true that young persons can have it also?

Answer: Yes, coronary heart attacks have been reported in persons in their teens, and they are not too infrequent in persons under 30 years of age.

It is believed that the tensions of fast living may be a factor producing these attacks in young persons.

High humidity, of course, (© 1958, King Features Syndicate, Inc.)

## Try and Stop Me

By BENNETT CERF

"GENTLEMAN JIM" CORBETT once met Steve Brodie, the man who allegedly jumped off the Brooklyn bridge — but the meeting was not a rousing success. "So you're Brodie," boomed the Champion. "I've always wanted to meet the man who could jump over Brooklyn bridge."

"You got it a bit wrong, Champ," explained Brodie. "I only jumped OFF that bridge."

"What! Only OFF the bridge?" exploded Corbett. "Why, any darn fool could do that!" — and walked away.

A visitor to a Beverly Hills mansion found himself alone with the 6-year-old son of the house, a first-grade student in a progressive school. "What are you studying now?" asked the visitor. The answer was, "I'm majoring in sandpile."

Young Sandy McTavish received a violin as a birthday present from his grandfather in Aberdeen. "It was a typical Scottish gift," commented Sandy proudly. "No strings attached."

## Bellefontaine Kids Home Is Damaged

BELLEFONTAINE (AP) — The roof and the third floor of the Logan County Children's Home just outside the city limits were destroyed by fire Wednesday. No one was injured.

Most of the 25 children at the home were in the yard playing when the fire broke out.

Fire departments from the city and surrounding communities were called out to battle the blaze in the old three-story brick building. Two firemen were overcome by smoke and given treatment.

## Second Aluminum Pot Line Opened

WOODSFIELD (AP) — Production got underway Wednesday at the second reduction pot line at Ormet Corp.'s aluminum works near here.

The first of five reduction pot lines began operating last May.

With two pot lines operating, the \$110,000,000 plant will be producing about 200 tons of metal a day.

When all five lines go into operation, the annual capacity will be about 100,000 tons of aluminum.

The plant, located between near-by Clarington and Hannibal, on the Ohio River, is owned jointly by Olin Mathieson and Rever Copper and Brass, Inc.

**Louisiana Racial Bill Is Vetoed**

BATON ROUGE, La. (AP) — Gov. Earl Long has vetoed a bill which would have let passengers decide whether they wanted to be segregated on buses and streetcars.

Passed during the recent legislative session, the measure would have allowed the first passenger — either white or Negro — who occupied a double seat to decide who could use the other half.

The bill was enacted after a federal court order halted segregated seating on buses and street cars in New Orleans.

## The Nation Today

WASHINGTON (AP) — Both wages and prices are continuing to spiral upward despite the recession and despite President Eisenhower's call for moderation.

Government data show that business and labor are paying little or no attention to the President's plea for restraint as both prices and wages climb to new record levels practically every month.

The government itself is largely ignoring its own advice. Pay raises amounting to about 1 1/2 billion dollars a year have recently been put into effect for government workers. Eisenhower said they couldn't be helped.

There is some hint the wage-price inflationary spiral may be slowing down. Consumer prices hit another peak in May, the latest report, but the rise from April was only a tenth of 1 per cent, the smallest monthly increase in many months.

New government and private surveys on wage trends for the first half of 1958 show in general that labor unions are negotiating

pay boosts of about the same amount as this time last year.

The Labor Department, in a report on first-quarter wage trends this year, said, "there was no evidence of any general reduction in the size of wage increases as compared with corresponding quarters of the past few years."

Experts of the department's Bureau of Labor Statistics said while second-quarter 1958 wage gain results still are being tabulated they seem to be running about the same, with some cases of increases slightly less than last year.

Fringe benefits gains, such as vacations, health-welfare and pension improvements, are coming along a bit under the 1957 clip.

Most new negotiated wage settlements are running around the 10-cent per hour raises of last year. There has been some decline in wage gains in manufacturing, the segment of the economy hardest hit by the recession. But factory worker earnings rose to a record \$83.10 a week in June.

The Labor Department said instances where unions failed to get any wage increase at all are running at the same tempo as 1957 and considerably under the no-increase settlements of 1954 and 1955.

The technique of long-term labor contracts, providing annual wage boosts and built-in living cost allowances, is conducive to labor-management peace but a factor in keeping wages rising.

Strikes are at a low ebb. But millions of workers get automatic pay boosts and living cost adjustments under three and five-year contracts. This creates a pattern for unions negotiating new wage terms.

The experts are watching to see whether the steel industry raises prices, following a big pre-negotiated pay hike for steelworkers that went into effect July 1. They also are watching the now-stale-

mated auto industry labor negotiations.

The outcome of these two situations will have an impact, both actual and psychological, on the rest of the economy. They may determine largely whether the wage-price race will even off or spurt onward to higher levels.

GOOSE WALKER — Taking his two pet geese for a stroll is Herbert Daigneault Jr., 16, of Windsor, Vt. He was given the geese when they were but four weeks old and soon they began to follow him everywhere. He uses a double dog harness to keep them in line.

## Luncheon Enjoyed By Bloomingburg Club Wednesday

Thirty members and guests of the Bloomingburg Wednesday Club gathered in the Parish Hall of St. Andrew's Episcopal Church Wednesday afternoon for a luncheon.  
For the serving of the tempting luncheon, members and guests were seated at long tables centered with beautiful arrangements of summer flowers. The flowers were taken from the garden of Mrs. Eva Kelley.  
The invocation was given by Mrs. Elton B. Elliott.  
The afternoon was spent making articles for Memorial Hospital and visiting.

Hostesses for the gala affair were Mrs. Alma Carman, Mrs. Lucille Creath, Mrs. Elliott, Mrs. Zoe Garinger, Mrs. Kelly, Mrs. Minnie McCoy, Mrs. Mina Morris, Mrs. Juanita Noble, Mrs. Nora Oswald, Mrs. Lucille Riley, Miss Olive Swope and Mrs. Edna Wilson.

Other members present were Mrs. Mabel Dick of New Holland, Mrs. Verne Foster, Miss Catherine Gossard, Mrs. Anna Groff, Mrs. Mary Hains, Mrs. Sue Larrimer, Mrs. Elsie Moyer, Mrs. Hortense Scott and Mrs. Viola Thornton.

Guests for the afternoon were Mrs. Jane Riley, Mrs. Martha Pfeiffer, Mrs. Elsie Lininger, Mrs. Maude Howland, Washington C. H.; Mrs. Grace Cannon and Miss Lillian Barnes, Jeffersonville; Mrs. Fern Riley and Mrs. Harriet Morrison, New Holland; Mrs. Jean VanHorn of Columbus; and Mrs. Doris Parrett, Mrs. Gretchen Jefferson, Mrs. Theresa Craig, Mrs. Betty Craig, Mrs. Becky Noble, Mrs. Helen Riley, Mrs. Nina Elliott and Mrs. Alice Cory, all of Bloomingburg.

## Mrs. Goodwin Hostess To Kensington Club

Mrs. Grace Goodwin graciously entertained members of the Tuesday Kensington Club Tuesday afternoon.

All the members of the organization were present. Mrs. Walter Patton of Ft. Lauderdale, Fla., an out-of-town member, also attended.

Lovely arrangements of summer flowers were placed throughout the Goodwin home.

Mrs. C. D. Young assisted Mrs. Goodwin in serving a summer salad course.

The remainder of the afternoon was spent sewing and visiting.

## Mrs. Noel Hostess To Canasta Club

Mrs. Raymon Noel entertained members of the Newcomers Canasta Club Wednesday night.

Canasta was enjoyed with prizes being won by Mr. Buckner Burbage, Mrs. B. D. Carlsson and Mrs. Marcus Crago.

Mrs. Noel served a tempting dessert course to Mrs. Harold Wagner, Mrs. Karl Brown, Mrs. George Wonderleigh, Mrs. Crago, Mrs. Theodore Harmony, Mrs. Richard Fenton, Mrs. Carlson, Mrs. Burbage, Mrs. Marvin Merritt, Mrs. Herbert Russell, Mrs. Roger Miller and Mrs. Donis D. Patterson.

## Bridal Shower Held In Honor Of Miss Reiff

Mrs. Robert Heath and Mrs. Loren D. Hynes entertained with a desort bridge and bridal shower Tuesday night in Mrs. Hynes' home in honor of Miss Sally Reiff, whose marriage to Mr. E. James Dickey of Wilmington will be an event of Aug. 17.

Beautiful arrangements of summer flowers were placed throughout the Hynes home.

Guests were seated at small tables centered with crystal bowls filled with summer flowers.

Mrs. Edwin H. Dickey of Wilmington, mother of the prospective bridegroom, was awarded the prize in bridge. She then presented it to the bride-elect.

Miss Reiff thanked each guest graciously as she opened her lovely array of gifts.

A tempting dessert course, in the form of bridal slipper and wedding bell ice cream molds, was served by Mrs. Heath and Mrs. Hynes.

The remainder of the evening was spent playing bridge.

Invited guests were Mrs. Dickey, Wilmington; Mrs. Robert Terrell, New Vienna; and Mrs. Howard Perrell, Mrs. N. M. Reiff, Miss Jo Reiff, Miss Sara Terhune, Mrs. Robert Terhune, Mrs. C. L. Musser, Mrs. Ralph Bray, Mrs. William Lovell, Mrs. Walter Morrow, Miss Helen McKee, Mrs. Ruth Rider, Mrs. William Shepard, Mrs. Charles Reinke, Miss Marie Melvin, Mrs. Eugene Heath, Mrs. O. W. Landrum, Mrs. Richard Rankin, Miss Jane Durant, Mrs. S. S. Boren, Mrs. Ethel Caldwell, Mrs. Stanley Chitty, Mrs. Bud Brownell, Mrs. Marvin Roszmann and Mrs. Marilyn Riley, all of Washington C. H.

## 4-H Club Activities

### WAYNE FARMERS

The Wayne Progressive Farmers met Tuesday evening at the Town Hall. President George Garinger called the meeting to order and Gary Browder led the group in repeating the 4-H Pledge and the Pledge of Allegiance.

It was voted to take money from the treasury to decorate the cattle barn at the Fair. Judging teams were selected for the contest at the Fair. Refreshments were served by Floyd Smith, Gary Browder, Donnie and Jimmie Bonham, Steve and Craig Thompson, Karen and Roger Thompson.

Steve Thompson

## News of Fayette Men in Service

Sgt. 1-C James H. Spears, Jeffersonville, is assisting in the six-week summer camp training of Reserve Officer Training Corps cadets at Ft. Benning, Ga.

Sgt. Spears is scheduled to return early in August to his regular assignment as a member of the U. S. Army ROTC Instructor Group for the Muscogee County School System, Columbus, Ga. He is a holder of the Purple Heart and the Combat Infantryman Badge.

The 26-year-old sergeant entered the Army in 1949 after his graduation from Stokes Townships High School, South Solon, that year.

## New Boys Guests At Choir Picnic

A picnic was held by the Fayette County Boys Choir in garage and backyard of the choir director, Mrs. Robert E. Willis.

Many new boys, who hope to sing in the choir next fall, were special guests. Before the meal, a devotional period was led by the choir mother, Mrs. Charles Lutz. Also, a song of grace was given.

After the picnic and a recreation period, the group gathered in the music room of the Willis home for a short sing.

IT'S SO EASY TO PLACE A WANT AD.

Washington C. H. Ohio

## Miss Patricia Ann Orr Is Bride Of Mr. Harrylee Downing Wednesday

The New Holland Church of Christ in Christian Union was the setting Wednesday evening for the wedding of Miss Patricia Ann Orr and Mr. Harrylee Downing.

Miss Orr is the daughter of Mr. and Mrs. Richard Orr of New Holland. Mrs. Etta Downing of New

Holland is the mother of the bridegroom.

The Rev. Charles W. Ware, pastor of the Gregg Street Church of Christ in Christian Union, Washington C. H., performed the single-ring ceremony at half past six o'clock.

Preceding the ceremony, a program of traditional nuptial music was presented by Mrs. Kenneth Bonecutter, pianist.

The altar was beautifully decorated with peonies, carnations and greenery, against a background of white palms.

The bride was wearing a waltz-length gown of white lace over taffeta. The fitted bodice, fashioned with a scooped neckline of white chiffon and brief cap sleeves, was highlighted with a wide lace sash in the back of the very bouffant skirt. With this she wore a small white hat and carried a white Bible.

Miss Jean Pinkerton of New Holland, the bride's maid of honor and only attendant, was attired in a street-length gown of white pique and a shoulder corsage of red carnations.

Mr. William Thompson of Washington C. H. was Mr. Downing's best man.

Mrs. Orr chose for her daughter's wedding a dress of light blue polished cotton. Mrs. Downing, mother of the groom, was wearing a navy blue dress. Both mothers wore corsages of red carnations.

The new Mr. and Mrs. Downing are now residing on N. Fayette St., Washington C. H.

The former Miss Orr was graduated from New Holland High School in 1958 and is now employed by Braddock Motor Freight Inc. as a clerk-typist.

Mr. Downing attended school at New Holland and is employed at Med-O-Pure Dairy.

## Wrights Observe 57th Anniversary

Mr. and Mrs. Angus Wright celebrated their 57th wedding anniversary with a covered-dish dinner. Dinner was served buffet-style from a beautifully appointed table centered with a lovely arrangement of roses and summer flowers. The centerpiece was presented to Mr. and Mrs. Wright as a gift from Mrs. Eunice Coe.

A decorated anniversary cake was also placed on the table. The guests attending also presented the Wrights a beautiful lamp.

Informal visiting was enjoyed throughout the afternoon.

Attending the gala affair were Mr. and Mrs. Gaylord Ferguson of Laper, Ind., Mr. and Mrs. Francis White and daughter, Linda, and Mrs. Nellie Lemond, all of Anderson, Ind.; Mr. and Mrs. Ed Lake and granddaughter, Becky Lake, Lebanon; and Mrs. Ernest Hill, Jamestown; and Mrs. Leora Booco, Mrs. Marie Ensign, Mr. and Mrs. Wayne Hill and daughter, Elsie, and Mr. and Mrs. Roy Booco, all of Jeffersonville.

## Personals

Mrs. Lester Stephenson, Anderson Rd., left Wednesday morning for Pasadena, Calif., for a month's visit with relatives. When she returns her daughter, Sue Ellen, who has been in California for a month, will accompany her.

Dr. and Mrs. R. D. Woodmansee and family have returned from a 10-day stay at Saranac Lake, N. Y. While there Dr. Woodmansee attended a symposium on tuberculosis and other chronic pulmonary diseases.

Mrs. Robert Case and Mrs. Ralph Theobald spent Wednesday in Cincinnati visiting with their family, Mr. and Mrs. William Case. Mr. Case has just been released from the Navy after two years of service in Norfolk, Va. Mr. and Mrs. Case are now living in Cincinnati where Mr. Case is employed by the Cincinnati Milling Machine Co.

## Travel-Happy Designer Likes Comfortable, Exotic Clothes

By DOROTHY ROE  
Associated Press Women's Editor  
NEW YORK (AP) — Today's women must be prepared to travel in clothes that are appropriate, comfortable and exotic.

Such is the credo of Tina Leser, a travel-happy designer. She delights in jaunting to far corners of the earth with her equally global-minded husband Jim Howley. She brings back fabulous silks, rich brocades and Oriental embroideries to be shaped to the needs and figures of American women.

Winding up a news-packed week of fall fashion showings for 200 visiting fashion editors, the resourceful and romantic Tina shows six major shapes of style for fall and winter, 1958. They are: the dust-ruffle, the Watteau, the trapeze, the harem skirt, the powder puff silhouette and the bifurcated line—the latter consisting of skinny pants and varied tops, in costumes designed for glamor at home or comfort in air travel.

As always, Miss Leser creates an Arabian Nights mood with her rich Oriental fabrics, her Aladdin's lamp color magic, her subtle shaping of line to suggest the romance of ancient Persia. Authentic regional and traditional fashions have fascinated this designer since the time she opened her first salon in Honolulu a couple of decades ago and introduced international travelers to the color and excitement of native Hawaiian beach clothes.

Of major interest among her new shapes of fashion is the dust-ruffle silhouette, used in both dresses and coats and consisting of a straight, unfitted sheath ending in a ruffled flounce at the knee-high hemline. This is particularly effective in a simple gray flannel dress buttoned down the front and trimmed in lighter gray piping, and in a bulky coat of

brushed mohair in muted tones of pink through orange, faintly plaided.

The Watteau dresses are for gala occasions, have semifitted tops and graceful flaring, dome-shaped skirts. One example is in pale green printed wool challis with a small brown flower motif.

The trapeze silhouette is done in a number of versions, one of the most striking of which is a short evening dress in white flannel embroidered in green and gold, shown with a matching sweater lined in 14-karat gold gauze.

Tina's powder puff silhouette has a puffed back panel floating from the shoulders and caught under at the hemline. Her harem skirts are shown in a number of outfits, including a plaid wool dress in russet tones, worn with a rosy toned and bulky coat of looped mohair.

But perhaps the most history

will be made with Miss Leser's beautifully tailored checked tweed new outfit for airplane travel in the space age. It consists of a short jacket and narrow slacks in worn with a color coordinated coat with dashing collar.

## Bloomington News

By Mrs. Harry Locke

### 4-H GROUP TO MEET

The Blue Ribbon Champs 4-H Club will meet at 8 p. m. in the school gym. Robert Milburn is advisor.

### RECITAL SUNDAY

Mrs. Mary Vincent will present her piano and organ pupils in a recital at 3 p. m. Sunday in the Methodist Church. During the afternoon Mrs. Stanley Paxton will present a number of her voice pupils. The public is invited.

### FOSTER DIRECTS CHOIR

David Foster who is a graduate of the Oberlin Conservatory of Music, will direct the Presbyterian Church choir during the summer. He will assist in the morning worship service.

### BUCKEYE GARDEN CLUB

Members of the Buckeye Garden Club met at the country home of Mrs. R. H. Ledbetter, on the CCC Highway, for their regular meeting and election of officers Thursday afternoon.

The home was decorated with lovely arrangements of assorted spring and summer flowers.

The meeting was opened by Mrs. Zoe Garringer, outgoing president of the society, by who led the group in repeating the club prayer. During the business session, Mrs. Jerry Snyder and Mrs. Glen Hidy were welcomed into the group as new members.

A welcome also was extended to Mrs. William D. Pond and son, Danny, and Mrs. D. R. Joyce and daughter, Beth, of Wilmington who were guests.

The new officers who have been elected for the coming year are Mrs. Thomas Parrett, president; Mrs. Roy Oswald, vice president; Miss Ollie Swope, secretary; and Mrs. Jean Brown, treasurer. The program was presented by Mrs. Hazel Moyer who had prepared an interesting paper concerning the various state flowers and sons and their origin.

Mrs. Verne Foster and Miss Katherine Gossard will be the hostesses at the August meeting of the society at their home on State Road.

The meeting closed with the repeating of the club's poem of the month.

During the social hour refreshments were served by the hostess and the co-hostess, Mrs. Thane McCoy.

Members present were Mrs. Zoe Garringer, Miss Ollie Swope, Mrs. Thane McCoy, Mrs. Jean Brown, Mrs. Vern Foster, Miss Katherine Gossard, Mrs. Emmett Kelley, Mrs. Hazel Moyer, Mrs. Roy Oswald and Mrs. Fred Oswald.

Mrs. Rex Bloomer, Danville Rd., entertained a group of children at a lawn party in honor of the seventh birthday of her son, Jeffrey Rex.

During the afternoon the young guests played games. Prizes were awarded to Joe Fortier, Tommy Strahler, Bradley Noble and Johnnie Mossbarger. Jeff received a number of gifts which he opened on a table placed on the lawn.

Refreshments in the form of individual miniature birthday cakes centered with yellow candles, ice cream and soft drinks were served by the hostess.

Mrs. Bloomer was assisted by Nikki Sue Bloomer, sister of the honored guest; Mrs. Wendall Allemand, Washington C. H., Mrs. Roy Purcell, Miss Florence Purcell, Mrs. Wayne Bloomer and Mr. and Mrs. Robert Moyer.

The guest list included Carl David Johnson, Greenfield; Vivienne Moyer and Bobby Moyer, of Circleville; David Cooper, Terry and Desi Allemand and Mary Jane King of Washington C. H.

From the local community were Michael Daves, Tommy Strahler, Jackie Brown, Philip Evans, Roddy West, Jimmy Hagler, Jimmy Sharp, Beverly Cooper, Steve Shelton, Bradley Noble, David Hagler, John Hagler, Johnnie Mossbarger, Connie Hagler, Joe Fortier, Lana

**WITH ALL MY HEART**—Home from Dallas, where he underwent a rare heart operation, Cliff Wooten, 4, of Tyler, Tex., gives his sister Krystal a big kiss. Surgeons opened his heart and sealed off two holes deep inside, leaving a 7-inch "T" scar on his chest. Ten persons donated his rare type blood during the surgery. Doctors say Cliff will live a normal life.

Lou Haymaker, Jeanie Andrews, David Browning, Judy McCoy, Becky Harden, Rebecca, Jackie, and Michael Sollars, Mark Harden, Pat Roberts, Becky Runnels, Tommy Roberts.

### CHURCH PICNIC

Members of the Presbyterian Church and their families assembled at the Washington Park and swimming pool for their annual picnic Sunday. During the afternoon and evening recreation was enjoyed.

### PERSONALS

Mr. and Mrs. W. A. Thompson, Midland Ave., have chosen the name Thesa Sue for their daughter born July 6 in Memorial Hospital. Recent callers at the Thompson home were the maternal grandparents, Mr. and Mrs. Joe Ferguson, Washington C. H., and the paternal grandparents, The Rev. and Mrs. C. S. Thompson, of Highland. Other visitors were Mr. Lloyd Thompson, also of Highland, and

### Women Carry the Mail In City in Florida

DUNEDIN, Fla. (AP)—This small Florida west coast city is proud of its two women mail carriers, Mrs. Betty Peters and Mrs. Sarah McCraney, who may be Florida's first distaff postmen.

Both had had experience as postal clerks before qualifying for delivery routes. So far, they've not donned the traditional blue-gray uniforms.

Both like the work and find the hours, 9:30 a. m. to 3 p. m., ideal. Mrs. McCraney has two children and also is attending St. Petersburg Junior College at night. Mrs. Peters is the mother of four.

Mr. and Mrs. Paul Horney and son, Eddie, of Coldwater, Mich. The name of Mrs. Gerald Hidy was inadvertently omitted from the list of guests at the home of Mrs. Harry Craig recently.

Recent afternoon and evening callers at the home of Mrs. Lura Mahon, were Mr. and Mrs. John Make and son, Randy, of Cleveland, and Mrs. Wayne Davey and Mrs. Ned Davey, Sedalia.

Mrs. Lura Mahon attended the funeral of a nephew, Mr. Ralph Newton, in Urbana Monday.

Recent dinner guests of Mrs. Mary Vincent were Mr. and Mrs. Kenneth Vincent, and children, Cheri, Gay, Grif, Jan and Brent, of Circleville; Mr. and Mrs. Richard Hughes and daughter, Micki, and Mr. and Mrs. Loren T. Vincent Jr., and children, Mitch and Brenda, Washington C. H.

Sunday visitors at the home of Mr. and Mrs. Rex Bloomer were Mr. and Mrs. Robert Moyer and children, Bobby and Vivienne, Circleville, and Mr. and Mrs. Paul Thompson and children, Gary, Brad and Janelle, near Circleville.

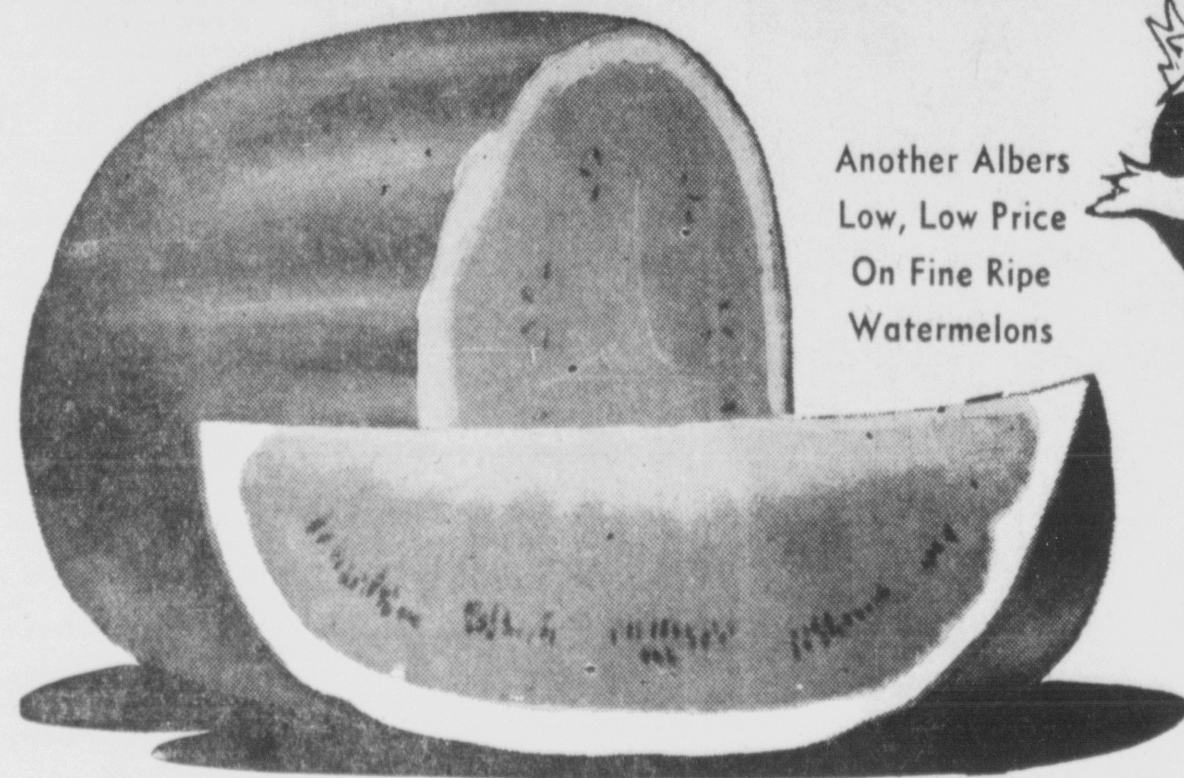

Vivienne Moyer spent the past week as a house guest of Nikki Sue Bloomer.

Recent afternoon callers at the home of Miss Gertrude Hanna and Miss Myrtle Klever were Mrs. Harry Sheridan, Miss Louise Sheridan and Mrs. Ile Deyhli and daughter, Kathy, all of Springfield.

## State Board To Study Legislation on Schools

COLUMBUS — "Increased public interest in education gives us an opportunity to, and makes it necessary that we challenge all existing phases of our educational program in Ohio. I think we all agree that complacency is a luxury we can no longer afford."

These are the words of Elliott E. Meyers, Ironton, president of the State Board of Education, in assigning committees to study present and proposed legislation.

Special committee assignments were made today. Law requires the board, in its annual report to the Legislature, to set forth changes deemed necessary in present laws.

Commenting further Meyers said "Because of the pressure of other mandated duties, this is the first opportunity the board has had to turn its full attention to this problem."

Fourteen areas and committee assignments are covered with Meyers' recommendations.

UNDER the State Board of Education — its organization and duties he notes: "The origin of the State Board is constitutional but functionally it is legislative. Our 2½ years' experience may have uncovered needed changes in the acts creating the board and its duties. We should be in a position to present to the Legislature the result of our experience."

The committee includes: Charlton Myers, Marion, chairman; The Rev. Russell Hoy, Coshocton; John W. Morrison, Aurora; Francis Payne, Euclid; Paul L. Walker, Columbus.

The general curriculum committee is composed of Robert A. Manchester II, Youngstown, chairman; Mrs. Ruth D. Mayne, Dayton; Wayne E. Shaffer, Bryan. It is requested that this committee point out where legislative changes might aid progress in this field.

In the matter of organization and transfer of districts the board president says "It is necessary that this entire field be covered for possible improvement."

Assigned to the committee are: W. G. Foreman, Zanesville, Chairman; Francis W. Spicer, Akron; Charlton Myers, Marion; Ward M. Miller, Portsmouth; Edward C. Ames, Toledo.

ORGANIZATION and financing of the State Department of Education is another important legislative suggestion. Committee members are: Walter E. Beckjord, Cincinnati, chairman; Mrs. Ruth D. Mayne, Dayton; Francis Payne, Euclid; Cecil M. Sims, Piqua; Robert W. Walker, Adena.

The audio-visual committee includes: Paul L. Walker, Columbus, Chairman; Mrs. Jeannette S. Wagner, Chagrin Falls; James P. Lavey, Milan; Edward C. Ames, Toledo.

Construction and rehabilitation of school buildings has been assigned to Robert W. Walker, Adena, Chairman; Walter E. Beckjord, Cincinnati; Robert A. Manchester II, Youngstown; Francis W. Spicer, Akron; Eric V. Weber, Cincinnati.

Harold Whitaker, Waynesville, will chair the important committee on school bus operation. Working with him will be Eric V. Weber, Cincinnati; John W. Morrison Sr., Aurora; Rev. Russell Hoy, Coshocton; Mrs. Esther L. Carman, Cleveland.

The problems of special education and the schools of the blind and deaf will be scrutinized by Mrs. Esther L. Carman, Cleveland, chairman; the Rev. Russell Hoy, Coshocton; John W. Morrison Sr., Aurora.

A CONSTANT REVIEW of legislation in the field of vocational education is necessary because of its involvements with other departments and other branches of government. The committee on this is James P. Lavey, Milan, chairman; W. G. Foreman, Zanesville; Paul L. Walker, Columbus; Eric V. Weber, Cincinnati; Harold Whitaker, Waynesville.

Competent surveys have been made in the field of vocational rehabilitation. Specific legislative changes, if needed, will be handled

by Mrs. Ruth D. Mayne, Dayton. While the board has already adopted minimum standards President Meyers feels it is necessary to review present legislation to see if it permits the constant revision and improvement of these standards. Wayne E. Shaffer, Bryan, will continue as chairman of this committee that includes: Mrs. Esther L. Carman, Cleveland; Charlton Myers, Marion; Cecil M. Sims, Piqua; Mrs. Jeannette S. Wagner, Chagrin Falls.

THE FOUNDATION PROGRAM represents the state's effort to provide all of Ohio with a sound educational program. The Board, under legislative guides, has developed the formula for distribution of these funds. The Foundation Program committee includes: Edward C. Ames, Toledo, chairman; W. G. Foreman, Zanesville; Robert A. Manchester II, Youngstown; Francis Payne, Euclid; Wayne E. Shaffer, Bryan.

Cecil M. Sims, Piqua, has been assigned as chairman of the committee on teacher training and certification. Commenting on this Meyers said: "This division's importance in education requires that we constantly review present legislation and our policies on training and certification of teachers if we maintain our hoped-for level of education." Working with Sims will be James P. Lavey, Milan; Ward M. Miller, Portsmouth; Mrs. Jeannette S. Wagner, Chagrin Falls.

One of the board's most serious duties — local district financing — will be in charge of Francis W. Spicer, Akron. His committee includes: Ward M. Miller, Portsmouth; Walter E. Beckjord, Cincinnati; Robert W. Walker, Adena; Harold Whitaker, Waynesville.

### 8 Indictments Disavowed by Columbus Man

DELAWARE, Ohio (AP)—Fred R. Cook, 37, of Columbus, has pleaded innocent to eight grand jury indictments, including four of rape, and asked for a three-judge court to hear his case.

No date was set for the trial when the plea was entered.

Cook was charged with raping a 24-year-old woman Dec. 20, 1957, and again last June 11, an 18-year-old girl June 11 at the same home in the Delaware Dam area as the other assaults, and a 58-year-old woman south of here along U. S. 23 in April.

The other charges, connected with the rapes, are assault with a dangerous instrument with intent to maim, two counts of breaking and entering, and sodomy.

Cook was arrested in Columbus June 12 after eluding one of the biggest manhunts in many years in this area.

### Silver Cloud Lining Is Not Appreciated

LOUISVILLE, Ky. (AP)—About 200 car owners got pretty sore when painters spraying a warehouse with aluminum paint got careless about the wind. A result: A silver cloud that left its lining on cars in a next-door parking lot. Special paint-removing crews restored the original colors.

### Plea of Guilty Filed To Avoid Jail's Chow

PONTIAC, Mich. (AP)—Norman K. Smith said he changed his plea to guilty on a burglary charge in Circuit Court because he was "starving to death" on county jail fare and was anxious for the change in menu at Southern Michigan Prison.

# New Kewanee Test Well Now at 400-Foot Mark

The drill in Kewanee Oil Company's third Fayette County test well, on Mrs. Beryl Cavinee's farm, two miles southwest of Washington C. H. is now down approximately 400 feet.

It was started at 13 inches, then narrowed down to 10 inches, and it is being piped for several hundred feet.

J. W. Lacy, of the Columbus office of Kewanee, said Wednesday that the well will be 10 inches in diameter over its total depth. He expects to spend considerable time here while the drilling is under way.

Two shifts keep the drill going night and day and this will continue until drilling is suspended.

THE CAMERON DRILLING CO. of Zanesville is doing the work, with a cable tool rig, consisting chiefly of one steel mast supported by guy-wires and temporary metal housing about the base.

The well is 200 yards east of Route 62, and the public is not being admitted to the site for safety reasons: it was announced.

Lacy said that information as to progress will be made public occasionally in view of the deep public interest in the venture and the company's desire to cooperate with the public as much as possible.

If the same bed of oil is encountered in the new well as that on W. Temple St. when two wells were drilled near the former ice factory more than 50 years ago

# Wife Watches Mate at Work

But In This Case,  
She's Natalie Wood

By BOB THOMAS  
HOLLYWOOD — How would you husbands like the little woman to watch you at work every day?

Sound frightening? Maybe so, but Robert Wagner doesn't mind it. Of course, the fact that he is married to Natalie Wood may put the situation in a different light.

Natalie is present every day Bob is working on "In Love and War." She sits on the set while he's acting, has lunch with him, goes home with him.

"I like it," says Bob. "I can't think of anything I'd rather do," says Natalie, who isn't working in a picture of her own right now.

Okay, so they're happy—why knock it? All the same, I suspect most husbands would consider it carrying too far.

The Wagners are not only married; they're incorporated. They have formed Rona Productions and intend to make movies. But not right away. She is tied up to Warner's for another three years, and he has two years to go at 20th-Fox.

Despite their set visiting routine—he was present nearly every day when she was shooting "Marjorie Morningstar" and "Kings Go Forth"—they have no one to appear together. Jerry Wald considered Natalie for "In Love and War," but Bob discouraged him. The reason is they want to keep their separate identities as far as their work is concerned.

"We decided it would be better for our marriage—in the beginning at least—if we didn't involve our work in it," says Bob.

But it's all right if they watch each other work, according to their rules.

Saw Lana Turner having a late snack with her mother at La Scala, and she says she's eager to get back to work in "Imitation of Life." The picture starts this month.

# Kickoff for Junior Baseball Trip Manager of Columbus Jets To Be Rotary Club Speaker

Harold M. Cooper, general manager of the Columbus Jets baseball team since 1955, is to be the principal speaker at next Tuesday's Rotary luncheon meeting.

He comes here for a "kick-off" meeting in preparation for "Washington C. H. Day" at the Columbus Jet Stadium Aug. 13, when boys of the local Little League and the more recently formed Babe Ruth League are to be escorted by Rotarians assisted by Lions' Club members and other volunteers, to the stadium and return.

According to present plans, all members of both leagues in this county, will take part in a parade in front of the Jet grandstand. A percentage of the admission returns on that occasion will be given to the Little League and Babe Ruth League here.

IT WAS REPORTED by the Jet management that Cooper probably will bring two or more members of the Columbus Jets International Assn. club with him to take part in the Rotary Club program.

Cooper has made a brilliant reputation in the baseball world, having been selected by Sporting News as the outstanding executive in minor baseball leagues in the country.

He was born in Columbus and started working as clubhouse boy at what was formerly the Red

HAROLD M. COOPER

Bird Stadium there at the age of 13.

He played football, baseball and basketball at Columbus Central High School, served in the Coast Guard during World War II and was a former manager of the Hutchinson, Kan., baseball club for several years. His record in Hutchinson resulted in his receiving the Sporting News Citation.

# Canton Man Ordered To Lima State Clinic

CANTON, Ohio (AP)—Acquitted Wednesday in a second trial for first-degree murder when a jury found him insane, Sam Smegadis, 70, will be ordered to Lima State Hospital today. Smegadis, a Greek born bachelor, shot Nick Kinios, 71, at a Canton coffee house May 28, 1957. He said Kinios taunted him and spat in his face during an argument.

# Bribery Case Appealed

COLUMBUS, Ohio (AP)—John E. Moore of Akron appealed to the Ohio Supreme Court Wednesday from his conviction of attempting to bribe two policemen for protection in the numbers gambling racket.

# Dynamite Cap Blast Hurts 2 Dayton Boys

DAYTON, Ohio (AP)—Two Dayton brothers, Bernard Hises, 12, and Jerry, 6, were injured Wednesday after they exploded a dynamite cap by hitting it with a hammer. Both boys suffered multiple shrapnel wounds and were reported in serious condition at Good Samaritan Hospital here. The cap apparently belonged to a limestone company near their home, sheriff's deputies said.

# Sandusky County Judge Gets Treasurer's Post

FREMONT, Ohio (AP)—Sandusky County commissioners Wednesday named County Judge Virgil Swartzlander of Hessville, 38-year-old Republican, to fill the \$5,700-a-year county treasurer job left vacant by the death Saturday of R. I. Bartlett. Swartzlander announced he will seek election as county treasurer in November.

Naturalist William Beebe says bird-watchers should "in approaching a singing bird, take a step during each song; most birds will not notice."

# Markets Offering Specials in Meats

By THE ASSOCIATED PRESS

A wide scope of meat specials is on sale this weekend at the nation's supermarkets and neighborhood grocery stores.

Offerings range from Cornish hens to chuck steak, rock lobster tails to leg of lamb. In between these extremes are assorted cuts of beef, a few hams, the usual summer chicken specials and miscellaneous items such as lamb liver and corned beef.

Each store featuring beef seems to be advertising a different cut. This probably reflects the continued strength of the wholesale market, since each store is pushing a bargain in that cut at the expense of others. Chuck and ground beef are the most frequently offered.

Egg prices vary from six cents a dozen lower to four cents higher.

Supplies of fruits and vegetables continue abundant.

Lettuce, snap beans and green

peas are among best buys of the week. Other outstanding bargains include beets, radishes, Potatoes, Eastern onions, tomatoes, spinach, sweet corn, cucumbers, peppers, yellow or green squash and cabbage.

Peaches continue to be the best fruit buy. Watermelons also are a bargain, while cantaloups also are a good to outstanding buy. Florida limes are liberal in supply and lower in price, along with Jersey blueberries.

# City Manager Petition Movement Ruled Out

PAINESVILLE, Ohio (AP)—The Lake County Board of Elections has ruled invalid a petition to put to referendum next November a proposal to replace the city manager here, who is appointed by City Council, with an elected executive. The petitions were faulty, board clerk Arthur B. Crandall said.

CRISP AND COOL imported Swiss cotton blue-and-white checked dress of easy slimness is designed by Adele Simpson. The bodice blouses slightly above a pleated skirt, bowed at the waistline.

People . . . Places . . . and Things

Round about Fayette County

By B. E. KELLEY  
Elmer Stewart, farm laborer who lives in a car on the White Rd. still rides a bicycle to and from Washington C. H. at least once each week, and thinks nothing of the 20 miles ride, although he is well along in years.

Elmer is known to some of his friends as "Hollywood Elmer," because when he admires the good work and looks of an actress he does not hesitate to write and pay his respects, one of his friends informs me.

Also "Hollywood Elmer" has had quite a correspondence with some of the "lonely hearts" down the line and usually carries with him some pictures of these feminine pen pals, his friend says.

You will know "Hollywood Elmer" by his sprightly walk and the fact that whenever they are available, he wears a sizeable bouquet of flowers pinned to his shirt front. He usually wears a sizeable straw hat sometimes painted red or green and frequently carries many flowers about with him to give to friends.

In fact every Saturday, for the last eight years, "Hollywood Elmer" has not failed to leave a bouquet of flowers—sometimes badly frost-bitten or faded with age—at Otis Stookey's store on S. Fayette St.

He brings the flowers in a wire basket attached to his bicycle and in returning home he hauls his groceries and other goods in the same basket.

The last bouquet he left at the Stookey store consisted of some sizeable sprays of mustard, a few day lilies and a dahlia.

He brings in everything from ragweed to roses and always does it as a friendly gesture. In return he leaves his purchases at the store until he is ready to go home.

One time as "Hollywood Elmer" was leaving the Stookey store, he made a misstep and took a running fall. It was pouring down rain at the time and the pavement was covered with ice. Elmer slid completely under a parked car, crawled out from one side and laughing said:

"I'm a reckless son of a gun ain't I!"

ONLY 10,000 OF 'EM  
Recently I heard a man well informed on the subject declare there are 10,000 kinds of bacteria in the food we eat, the air we breathe, the water we drink and

the soil. They also are widely distributed in our bodies, where they work for good or bad.

The great number of bacteria need not worry a person unless they violate some law of nature for there are only 60 harmful kinds in the entire 10,000, he explained.

These harmful bacteria feed on toxins and when a person has it's type of food stored up as result of improper combinations of food and other causes, the harmful bacteria take over and "start raising families" with the result that ill health results.

Many persons are not aware that the soil is filled with living organisms and if it is fertile soil, the bacteria take over and help grow abundant crops. If it is not poor crops result because of the few helpful bacteria that live in the depleted soil.

Science down through the years has made wonderful progress, and will continue to do so. One of these vital things in which important changes can be and will be made is proper food for the human body.

This means food that has not been demineralized and devitalized until it contains only a small part of its original vital elements, it is pointed out.

OLD CHAUTAUQUA PROGRAM  
It was really some entertainment staged by the Washington C. H. Chautauqua 42 years ago—July 20 to 26 inclusive—by the Colt-Alber Chautauqua Co. The old printed program was loaned to me by Mrs. Homer H. Harrison formerly Miss Mary Pyley.

As I recall the Chautauqua was held under a tent on the East-side School ground. Later it was moved to the High School ground and the tent located between the north end of the old high school building and Paint St.

The highlight of the 1916 Chautauqua was the San Carlo Grand Opera Co., which included some really good singers. It was the biggest singing organization in Chautauqua at that time.

Many local residents will recall with pleasure the very enjoyable program presented by the organization.

The program also included Colangelo's Famous Italian Musicians; The Copley Comedy Players; G. Whitefield Ray, the noted explorer; The Master Singers; Dr. Glenn Frank; J. W. Grougner, a "preacher to the procession;" The Florentine Singers and Players; Germaine, the "wonder wizard;" Dr. Charles S. Medbury; Arthur Walway Evans; Chevalier Giuseppe Angelini and his celebrated orchestra; A Review of seasons Musical successes; Ida M. Tarbell; Davenny Festival Quartet; Sidney Landon, the great impersonator, and a few other attractions.

That really was one time local audiences received their money's worth in outstanding talent.

NEW PRIORITY  
Set Up for  
State Parks  
COLUMBUS, Ohio (AP) — The Ohio Department of Natural Resources has made up a new priority list for improvements at state parks during the next three years.

Col. Herbert Eagon, department director, said the list includes four areas in a previous priority list—East Harbor, Pymatuning Lakes, Hueston Woods and Burr Oak Lake.

Added were these seven places—Hooking Parks system, Lake Hope Punderston State Park, Rocky Fork Park, Portage Lakes, Delaware Reservoir and Kelleys is land.

Exact improvements have not been worked out. The priority list will go to the Capital Planning Commission. It is a recommendation for places to spend the bulk of the 6 to 8 million dollars the department expects to have for a two-year period beginning next July 1.

In addition, much of the \$1,621,000 is left over for the two-year period ending next June 30.

Improvements will include roads and parking areas, utility services, boat, picnic and camping areas and service buildings.

Brothers Vie  
In Election Race  
FITCHBURG, Mass. (AP) — The Charlton brothers — Robert E., 33, and Francis J., 32—agree in most matters but not in politics. Robert is running for the Republican nomination for a seat in the Massachusetts House. Francis also is a candidate for the same seat but on the Democratic ticket.

Snake Is Used  
As Tourniquet

COMPTON, Ky. (AP) — A tourniquet made from the snake that bit him may have saved the life of Curt Akers, 16. Curt was bitten by a rattlesnake while mowing weeds. His father killed the snake and knotted it around the boy's leg. The boy then walked a mile to get help from a physician. He was reported in fair condition.

Mimic Making  
Much Money

NEW YORK (AP)—Allan Swift thinks he probably turned in the greatest television performance in his life.

But he admits that as a cup of instant coffee he was also pretty hot stuff.

In recent months Swift has been extremely busy as a three-way lamp, a glass of beer, a pack of cigarettes and an assortment of human beings, ranging from old and female to child and male. Some of his more delicate assignments recently, he says, have been to do the talking for tennis champion Pancho Gonzalez, golf champ Cary Middlecoff and bowl-ers doing cigarette testimonials for TV commercials but their voices weren't quite right for their jobs.

Swift, a former standup comedian of the night club and vaudeville circuits, is the voice on some 400 commercials. He says his income is higher than "the hottest television performer in the business." The gross exceeded \$200,000 last year with the vogue for animation continuing, he expects to do better this year.

"I'm a pretty good mimic," he confesses, "but I think the trick to doing voices lies in a sensitive ear."

Over the years, he says, he has assembled quite a number of tools with which to construct a wide range of voices.

"You start with a child's voice," he explains. "It is light, with a breathiness and tendency to over-articulate. In adolescence, its tone goes down, cracks a bit, with some breathiness. The young man is lower, with an even mixture. And around 50 or 60, there's a sloppiness of articulation. In old age, the overarticulation starts again — this time to compensate for a loss of breath."

Along with these basic ingredients, Swift mixes in, as needed, a raspy, foggy, strained, nasal or sinus quality.

Concrete Due To Appear in Fresh Forms

NEW YORK (AP)—In the competition among new materials in the building industry an old one—concrete—is stepping out today in fresh forms.

It is challenging some of the newer curtain walls — those of glass, aluminum, stainless steel — as well as the older supporting walls of brick, stone, wood. And the new forms of concrete are aiming at the house building market as well as the commercial and industrial ones.

Precasting of ordinary concrete is one of the new methods builders are using. Architectural Record, trade publication of F. W. Dodge Corp., says only four basic pieces or panels are being used to put together the Parke-Davis warehouse and office building near San Francisco.

The process is said to cut building time and therefore costs.

Architects are also studying new types of concrete blocks and panels, one containing millions of air bubbles and weighing less than a third as much as ordinary concrete.

The hubble concrete panel, called Calsi-Crete, is made by the Pacific Materials Corp., of Pacific, Mo.

It can be made in several densities, but currently is being made at 30 to 35 pounds per cubic foot. A panel measuring 3 1/2 inches by 20 inches by 6 feet 8 inches weighs 110 pounds. The company says an equivalent amount of regular concrete weighs 455 pounds. Air bubbles are blended with

cement, silica flour and other materials, and cast in molds moving on a conveyor into a steam bath where the panels stay for 16 hours at 370 degrees Fahrenheit.

The panel can be cut, sawed and nailed, and is said to have high insulation and acoustical values. The makers say walls can be erected in 40 per cent less time and at 20 per cent less cost than conventional materials.

NYC Explains Why  
Service Curtailed  
COLUMBUS (AP) — The Utilities Commission has been told that the New York Central Railroad discontinued eight trains last October as part of its program to cut

down on losses in passenger revenue.

Attorney A. C. Russell of the railroad said passenger revenue deficits have been running about a million dollars a week for the last several years.

The railroad presented its testimony at the last of a series of hearings on adequacy of service that remained involved are two trains between Cleveland and Cincinnati, two between Toledo and Cincinnati, two between Chicago and Cleveland and two between Cleveland and Buffalo.

rea said Adm. Felix Stump in alerting his Pacific command meant all ground and air forces as well as the Navy.

Details of how troops sharpened their alert for any eventuality were secret.

A South Korean army spokesman said there were no intelligence reports of unusual developments among Communist troops across the armistice line.

Mirrors were once more valuable than paintings by master artists. In the 17th Century a large Venetian mirror cost more than 8,000 livres (a livre then was worth about a pound of silver). In contrast, a rare Raphael painting was then valued at only 3,000 livres.

## New Holland News

BY MRS. JAMES DOYLE

### REPORTS ON GIRLS STATE

Jill Echar, who will be a senior this fall at New Holland High School, represented the American Legion Auxiliary, Unit to A. R. C. Post 477, at the annual Buckeye Girls State, held on the campus of Capital University.

The following is Jill's own report of her activities during the week spent in the mythical state, where she served as state civil defense director.

"I arrived at Capital University on Saturday, June 21, and was taken to Renner Hall which was to be my living quarters for the following week.

"Miss Mary All Wolfe accompanied me to Renner Hall as she was the governmental advisor for my city. Mrs. Devor was the house mother and made me feel right at home by helping us unpack and giving us instructions about our rooms and about the schedule for the rest of the day.

"That evening all the girls were taken to Mees Hall where Mrs. Perry, Director of Girls' State, welcomed us. We then went to Loy Gym, where we had a mixer so that we could get to know one another.

"After the mixer we were given ice cream and cakes to take back to our cities. We got ready for bed and had devotions. This ended our first day at Girls State.

"We were awakened at 6:30 the following morning for breakfast. After breakfast we got ready and went to church. The rest of the day consisted of meetings and just getting adjusted to our new friends and surroundings.

"Monday through Saturday consisted of meetings, campaigns and work for all the girls. Tuesday morning, primary elections were held and Tuesday afternoon, regular elections were held. Our governor knew of her reign at 5 p. m. She was a member of my political party, I am happy to say.

"Wednesday was the inaugural ball and all 806 girls donned their formal and were served a delicious steak dinner.

"The rest of the week was filled with doing our jobs as we were instructed and carried out our plans.

This year we took up the recession problem and tried in our own way to help combat the situation.

"Saturday night was our last night. At this time we received our Girls State pins, of which we were very proud. It was a sad ending after a wonderful week. We all hated to leave our newfound friends, but we all wanted to go home and try to pass on our wonderful experiences and all that we had learned. I only wish that not only one girl could go, but every girl.

"I want to take this opportunity to thank the American Legion Auxiliary and everyone else who made this wonderful experience possible. It is one I shall never forget."

### LIONS INSTALL LEWIS

Robert Lewis, of South Main Street, was installed as president of the New Holland Lions Club at the regular meeting held last Thursday evening, at the New Holland Methodist Church.

Robert Minshall, a past president of the Washington C. H. Club, served as installing officer at the ceremonies which followed a dinner served by members of the Golden Rule Sunday School Class.

Lewis was handed the gavel by his predecessor in office, Robert Bush. In turn, the new president presented Bush with the past president's pin.

Other officers installed were Don Adams, first vice president; Forrest Morris, second vice president; William Friece, third vice president; Harold Wright, secretary; Vincent McKee, corresponding secretary; Richard

Hughes, tall twister; and Everett Landman, lion tamer.

Joseph G. Owens and Dr. Dean Tarbill were installed as new directors, succeeding Harry Morris and Harold Rowland. Other directors are Delbert Remy and Vernon Gifford.

Along with the installation, members enjoyed slides and a commentary by Mike Snyder, of Chillicothe, who attended the 1957 Boy Scout Jamboree in England and then toured several countries in Europe. Scout Snyder is a son of Mr. and Mrs. Robert Snyder, of Chillicothe.

### GOLDEN RULE CLASS

Members of the Golden Rule Sunday School Class held their regular meeting at the church July 9.

In the absence of the devotion leader, Mrs. Charles White, Mrs. James Doyle presented a reading "Diary of a Bible".

In the absence of the secretary, Mrs. White and the treasurer, Mrs. George Hott, Mrs. Doyle and Mrs. Edward Haggard gave the regular reports.

The president announced the Lions Club supper committee who had served on July 3. Kitchen chairman Mrs. Woodrow Workman. Her assistants are Mrs. George Hachenbraet, Mrs. Cliff Hughes, Mrs. John Stokes and Mrs. Harold Wright, dining room. Mrs. James Doyle, Mrs. John Gifford, Mrs. Sheldon Grimes, and Mrs. Vernon Benroth. A profit of \$19 was reported from this dinner.

The president announced that a Southeastern bus has been chartered for transporting the members to the Ruth Lyons program in Cincinnati on July 17. The bus will leave from the Methodist Church promptly at 8 a. m. It was decided at this meeting that after viewing the program the group would tour the Kahn Meat Packing Plant in Cincinnati.

The president also announced that Richard Kirk, superintendent of the New Holland Methodist Sunday School, would like the Golden Rule class to be in charge of the kitchen duties at the Hundred Percenter's Banquet to be held July 20.

Mrs. Charles White has resigned her position as secretary of the class for the remainder of the year. The past nominating committee is asked to secure a new secretary.

The meeting closed by a prayer by Mrs. Glenn Robinson. A biblical contest was conducted by Mrs. Edward Haggard and Mrs. Earl Vincent Jr. with the award going to Mrs. Glenn Robinson.

An assortment of ice cream sundaes was served by the following hostesses Mrs. James Shipley, Mrs. Howard Somers and Mrs. Harold Rowland.

### PERSONALS

Mrs. Glenn A. Robinson and Misses Margaret Ann Dixon and Sandra Wright returned to their homes recently after spending a week at Senior Methodist Youth Fellowship Camp at Lancaster.

Sgt. and Mrs. James Melvin Helsel of Alexandria, Va., have named their son, born July 4, James Allen.

Becky Durlinger, daughter of Mr. and Mrs. Harold Durlinger, is recovering satisfactorily at her home on the Webber French farm south of town, from injuries she received while playing on a gate at her home Thursday. She was treated and immediately released from Fayette Memorial Hospital.

Mr. and Mrs. Walter Allison and Mrs. C. J. Stokes all of Butler, Pa., have been spending a week at the home of Mr. and Mrs. John Stokes and daughters, Nancy and Carol Sue, and Mr. and Mrs. Roy Stewart.

Miss Garnet Huston and Miss Grace Huston of Washington C. H. were Thursday evening supper guests of Mr. and Mrs. William Friece and son, Ned.

Mr. and Mrs. Maynard Speak-

man, Mr. and Mrs. James Shipley and Mr. and Mrs. Ansel Kirkpatrick Jr. attended the Paul Winston musical production, "Wonderful Town", Thursday evening at Veterans Memorial Columbus.

Mrs. Gene Doyle, Miss Mary Jane Doyle and Terry Doyle, accompanied Mrs. Bruce Davy to her home in Brownsville Sunday after a weeks visit with her father, Mrs. Tom Doyle, and family.

Mr. and Mrs. Woodrow Workman were Thursday evening guests of Mr. John Stokes who has been a patient at Grant Hospital, Columbus. Mr. Stokes was released to his home on S. Main St. Sunday afternoon.

Mr. and Mrs. Robert Tice of Washington C. H. were Friday evening supper guests of Mr. and Mrs. James Doyle and daughter, Eileen. Additional evening visitors were Mr. and Mrs. Jay Goldhardt and children, Cathy and Don, of Orient.

### ATTENDANCE BANQUET

Approximately 50 members of the New Holland Methodist Sunday School who have a perfect attendance record for a period of six months, one year, or more, will be guests of honor at a potluck supper to be held at the church on Sunday July 20 at 6:30 p. m. Each family attending, is asked to bring its own table service.

Richard Kirkpatrick, superintendent of the Sunday School, has named Miss Joy Hosler as program chairman and has asked the Golden Rule Class to be in charge of the kitchen and dining room duties under the chairmanship of Mrs. Harold Wright. The Golden Rule Class will furnish the iced tea and coffee.

### PICNIC PLANNED

The New Holland Masonic Lodge No. 392 will have a family picnic Sunday, July 27, at the Washington Park at 12:30 p. m. An afternoon of swimming and games will be provided.

### PERSONALS:

Sunday afternoon visitors at Lake Hill near Frankfort, were Mr. and Mrs. Don Adams and children, Mr. and Mrs. Joe Satchell, Mr. and Mrs. Russell Jacobs Jr. and Mr. and Mrs. James Shipley and sons.

Billy Kirkpatrick, Mike Eckle, Jimmy Morrison, Donnie Reed and Terry Cross, members of the P. and F. (Pickaway and Fayette County) 4-H club, are spending a few days at the Junior 4-H Camp

## Ohio Railroader Hailed for Heroism

INDIANAPOLIS, Ind. — Charles R. Greer, 44-year-old London, Ohio, railroad conductor, has won the New York Central Railroad's highest award for valor.

W. B. Salter, general manager of the railroad's southern district, presented Greer a medal for heroism April 23, 1958, when he saved the life of a three-year-old deaf mute boy at Delaware, Ohio. He pulled the lad to safety a split second before two box cars rolled over the spot where the boy stood.

Greer was working as a brakeman on a spur track leading into a Delaware plant when the incident happened. The boy was Larry Estep, son of Mr. and Mrs. Robert Estep of Delaware.

held at the Tar Hollow camp grounds.

Mr. and Mrs. W. M. Warner of Georgetown were Sunday dinner guests of Mr. and Mrs. Herbert Louis of East St.

### "COOK OUT" HELD

Mr. Roy Stewart was guest of honor at a "Cook Out" Saturday evening at the home of his daughter, Mrs. Cris Cross, Mr. Cross and children, Terry, Kristi and Caroline, Circle Ave.

A green and yellow lighted birthday cake was carried to Mr. Stewart by his grandchildren, Terry and Kristi Cross.

After the meal, Mr. Harry Armstrong and Mr. Cris Cross showed movies of scenic places they have visited.

Mr. Stewart graciously thanked his many friends for the gifts he received.

The invited guests were Mr. and Mrs. Dale Wilson, Mr. and Mrs. John Forsythe, all of Washington C. H., Mr. and Mrs. Mervin Day of Columbus, Mrs. C. J. Stokes of Butler, Pa., Mr. and Mrs. Russell Ebert, Mr. and Mrs. Floyd James, Mr. and Mrs. Harry Armstrong, Mr. and Mrs. Cranston McQuay, Mr. and Mrs. Wilbur Gillespie, Mr. and Mrs. Earl Arnold, Jr., Mr. and Mrs. Robert Kirkpatrick and sons, Dana and Rankin, Mr. and Mrs. Roy Griffith, Mr. and Mrs. Frederick Voltz, Mr. and Mrs. Dudley Roth, Dr. and Mrs. Leslie Tarbill, Mr. and Mrs. Richard Kirkpatrick and Mrs. Roy Stewart.

## New Reports On Earnings Sound Pleasant

### Stock Mart's Sour Outlook Appears To Be Exaggerated

By SAM DAWSON

AP Business News Analyst NEW YORK (AP) — The stock market has been steeling itself against the impact of unfavorable earnings statements expected in a steady stream in the next few weeks. But a look today at profit reports already in shows that some of its fears may be exaggerated.

A pleasant handful of companies report their operations in the April-May-June quarter more profitable than in the first three months of the year.

And an impressive number report their profits in the second quarter or in the first six months ran ahead of the same period a year ago.

When all the earnings statements of industry are in, there's little doubt that the combined first half profits will trail 1957. But the exceptions to the rule give the optimists some cause to cheer.

Among those reporting their second quarter profits better than their first are: General Electric with second quarter profits of 62 cents a share compared with 56 cents in the first quarter; Jones & Laughlin Steel with second quarter up 143 per cent, or 47 cents a share vs. 17 cents; Youngstown Sheet & Tube, \$1.23 a share vs. \$1.04; Allied Chemical up 27 per cent, or 87 cents vs. 68 cents and Continental Can, 84 cents vs. 60 cents.

Among companies reporting their second quarter earnings ahead of last year are: American Telephone & Telegraph, \$2.72 a share vs. \$2.67; three food chains — Safeway, Grand Union and Kroger; Beatrice Foods; two cement companies — General Portland and Penn-Dixie; Colgate Palmolive; and Northrop Aircraft.

Among companies reporting first six month earnings higher than last year are: International Business Machines, \$4.27 a share this

## 4-H Club Activities

### HAPPY-GO-LUCKY

The 12th meeting of the Happy-Go-Lucky 4-H Club was held at the home of Mrs. Paul Huff. President Patty Burke called the meeting to order. The 4-H Pledge was recited and the 4-H song was said.

Roll call was answered by naming a health habit. The secretary and the treasurer made their reports.

Elaine Anshutz told how to pack a lunch and Susan Huff discussed her flower pot and what kind of flowers she had in it. The meeting was then adjourned.

Recently the members held a tea for their mothers. These present were nine members, two advisors, Mrs. Paul Huff and Mrs. Hugh LaFollette and six mothers, Mrs. Pauline Kneisley, Mrs. Leone Butcher, Mrs. Dorothy Anshutz, Mrs. Graden Boyd, Mrs. Connie Burke and Mrs. Frieda King.

Refreshments of ice cream, cake and punch were served.

Diana Sue Butcher, reporter

### SCIZZORS WHIZZORS

Fair activities were discussed at the meeting of the Scissors Whizzors held at the home of the advisor, Mrs. Walter Hyer.

Paula Slagle, president, opened the meeting with the 4-H Pledge and the Pledge of Allegiance to the flag. Eight members answered roll call by giving a health report on articles assigned to them. Carol Hyer gave the regular reports and Ann Waters gave a progress report of the decorations for the Fair booth.

Plans for the outdoor cookery judging to be held at the home of Ann Waters were also completed. Recently, the members had their sewing and nutrition projects judged.

Peggy Lininger showed the group a new game called "elephant." The group also enjoyed singing and other games.

Another meeting will be held this week at the home of Ann Waters. The purpose will be to work on Fair booth decorations.

Reva Fackler, reporter

### SUNNYSIDE YO YO'S

The regular meeting of the Sunnyside Yo Yo's was held at the home of Penny Palmer. President Jean Reynolds called the meeting to order with the 4-H Pledge and the Pledge of Allegiance to the flag.

The secretary called the roll and gave the report. The treasurer's report was also given.

It was announced that money would be collected for retarded children. Fair activities were discussed.

The meeting was adjourned and refreshments were served. Afterwards, recreation was held.

Recently the members held their annual picnic at the Washington C. H. City Park. Project books were completed and pictures of the members were taken.

At another meeting of the Club, all the usual reports were given. Jean Reynolds, president, led the meeting. Songs were sung and Fair activities were again discussed.

After the meeting was adjourned, cherry cobbler and kool-aid was served by the hostess. Recreation was held.

Anita Hurl, reporter

### JOLLY JUMPERS

A demonstration on chocolate drops highlighted the last meeting of the Jolly Jumpers 4-H Club at the home of Debbie Everhart. Phyllis Morgan and Patty Williams

gave the demonstration.

Toni Huffman called the meeting or order and Patty Williams called the roll. Phyllis Morgan read the health report.

Each member named something they had learned about safety throughout the year. The 4-H pledge was said and Nancy McClung led in the singing of "I'm Looking Over A 4-H Clover. Dues were collected by Mary Jo Strong.

After the meeting, refreshments were served by the hostess. The next meeting will be July 19.

Donna Schneider, reporter

### BLUE RIBBON CHAMPS

The ninth meeting of the Blue Ribbon Champs 4-H Club was opened with the 4-H Pledge led by Larry Carman and the Pledge of Allegiance led by Anne Craig. Roll call was answered with the grade each member will be in school next fall.

Richard Redd was elected the junior boy health contestant and Beverly Owens the junior girl contestant. Selected as the senior girl representative was Anne Craig and David Heistand the senior boy representative.

The Craig Trio will represent the club in the 4-H talent show at the Fair. Selected to be on livestock judging teams were Larry Carman, Bob Chrisman, David Heistand, David Cook, Richard Redd and Dave Craig.

Paul Shepherd, the guest speaker, gave a talk explaining the different steps of registering purebred hogs.

Refreshments were served by Richard Redd and Dave Craig. Nancy Owens and David Heistand will have the refreshments at the final meeting to be held 8 p. m. on July 18.

Alice Craig, reporter

### PERRY PEPPY FARMERS

The Perry Peppy Farmers met July 10 at the township hall in New Martinsburg. Members worked on their record books. The next meeting will be July 29.

Jim McClure, reporter

### WESTERN HORSE CLUB

A brief training clinic on the trial class that will be shown at the Fair was held at the last meeting of the Western Horse Club at the home of Bob Corzatt. Ten members were present.

Mr. Backenstoe told the members when their entries and project books were due. Plans were made to work on the Fair booth.

Members are planning to ride their horses in the parade to be held next Monday.

Suellen Graulich, reporter

### HAPPY HOMEMAKERS

President Donna Lou Rife opened the last meeting of the Happy Homemakers. Diana Waddell led in the 4-H Pledge.

Minutes of the last meeting were read by Carol Baker and were approved by the members. Seven members answered to the roll

## TV Gunslingers Face Trouble As Pretty Girls Loom Ahead

A gift was purchased by Nina Roehm for the club's advisor, Mrs. Mae Page. The 4-H Junior Camp was discussed during the business meeting. Janet Knedler gave a demonstration on freezing.

Final plans were made for the Fair booth. The meeting was adjourned and ice cream and cookies were served to the members, four mothers, one guest and the advisor by the hostess Nina Roehm.

Jean Burton, reporter

### BUZZ'N DUZZ'N

The final judging of projects was held at the last meeting of the Buzz'n Duzz'n 4-H Club. The members met in the Milledgeville School.

Mrs. Snyder was the judge for the sewing projects and Mrs. Deppner judged the nutrition projects. Mrs. Cunningham graded the project books.

After the judging, passes for the Fair were passed out by the advisors. A talent show was planned and a practice date was set for July 14 at the home of Mary Jo Minton.

Frances Klontz, reporter

### YOUNG ATOMIC FARMERS

Agricultural demonstrations were planned at the last meeting of the Young Atomic Farmers at the home of Donna Lou Rife. Also, several members volunteered to represent the club at the livestock judging to be held on July 17 at the Fairgrounds.

Carol Baker, secretary, led 15 members in the 4-H Pledge. Three guests were present at the meeting. Also present was Phil Grover, associate county agent, to answer

for his autograph. Hope, who has a good eye, told Merry that she should be giving autographs instead of asking for them.

Barbara Eden, the youngest of the trio, is also the only married one. She is the wife of Michael Ansara, Cochise on TV's "Broken Arrow."

Lori quit U-I because she thought the studio typed her as the perpetual ingenue. With "Millionaire," she plays broad comedy and believes that she's getting her first important break as an actress.

NTA, partly owned by 20th Century-Fox, is a new idea in networks. It calls itself a "non interconnected" film network. It delivers films individually to its stations not via coaxial cable.

It will present the independent stations with a blockbuster night to compete with the three major networks. Besides "How to Marry a Millionaire," it will deliver two other half-hour shows—"This is Alice" and "Man Without a Gun."

Merry had a bit part in the original movie. She got into the movies when she asked Bob Hope

## NO HIGHER THAN YOUR HEART—BUT IT'S A TALL TRAVELER!

'58 CHEVROLET! This long, low beauty was born to cover the miles. And you ride relaxed, cushioned by a NEW FULL COIL SUSPENSION that makes any road seem smoother!

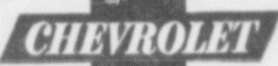

Here's an engineering achievement that would have seemed incredible only a few years ago. It's an achievement in comfort—in really superlative comfort and the free-flight feeling of beautifully balanced suspension, whisper-hushed engines and solid-as-Gibraltar Bodies by Fisher.

And this cloud-soft pleasure comes without a penalty. It is all pure plus—because it is

backed by Chevy's famous roadability, by a new, tough-sinewed Safety-Girder frame, by the kind of horizon-wide vision that makes driving safer and surer.

Only superb engineering—Chevrolet engineering—produces just this blend of comfort and security. And only Chevrolet powers it all with sprint engines—ultra-efficient powerplants that jet from idle to all-out in one giant

stride. We could fill a book with the reasons why—but why read about what you can feel. Your Chevrolet dealer has a car at the curb, ready for your command!

## Milledgeville News

BY MRS. JOHN MORGAN

### JASPER HD CLUB

The Jasper Home Demonstration Club met at the home of Mrs. Ralph Minton Thursday evening.

A brief business session was held in charge of the president, Mrs. Eugene Klontz. A picnic was planned for the next meeting to be held for club members and their families. This will be held at Washington Park with the date to be set later. The rest of the evening was spent in visiting.

Mrs. Minton served refreshments to the following members: Mrs. Harry Allen, Mrs. Hoyt Bock, Mrs. Willis Fent, Mrs. Floy Ferguson, Mrs. Charles Hiser, Mrs. Eugene McLean, Mrs. Austin Fuller, Mrs. Marion Sanderson and Mrs. John Sheeley.

### JUNIOR MYF MEETS

The Junior MYF met at the Methodist Church at 7:30 p. m. Sunday.

The meeting opened in charge of the president, Gerald Lee Merriman. The Scripture was read by Sondra Merriman, and Gerald Lee led in prayer. Sondra Merriman read the secretary's report and had roll call. Helen Williamson gave the treasurer's report.

A card was read from the family of Mrs. Forest DeBra.

Cheryl Waddell and J. P. Morgan were appointed for the refreshment committee for the next meeting.

Refreshments were served by Sondra and Gerald Lee Merriman to the following members: Helen and Betty Anderson, Helen and Barbara Williamson, Curtis Hiser, Wanda and Darrell Ankrom Lynn and David Jenkins, Cheryl Waddell and J. P. Morgan. Adults present were Mrs. Thomas Ankrom and the Rev. and Mrs. Richard Jarvis.

### SENIOR MYF

The Senior MYF met at the home of Frances Klontz Monday evening.

Helen Louise Sheeley, president, called the meeting to order. The Rev. Richard Jarvis led in prayer. Devotionals were in charge of Mr. Jarvis. The secretary's report was read by Glenn Rankin, and Ruth Ann Sheeley gave the treasurer's report.

The group studied the Book of John, which will be continued at the next meeting. A question and answer period followed.

Refreshments were served by the hostess to Linda Young, Marcella and Hugh Zimmerman, Judy Blair, Jackie DeWeese, Kathy Allen, Helen Louise and Ruth Ann Sheeley, Joan DeWeese, Glenn Rankin, Joan Jarvis, Charles Morgan and Roger and Vernon Klontz.

### BOY SCOUTS MEET

Milledgeville Boy Scout Troop 303 held their regular monthly meeting at the home of Mr. and Mrs. Edward Rankin Tuesday evening. This was a potluck supper for

Scouts, families and guests. Vernon Klontz gave the invocation.

Scoutmaster Donald Hodge, was in charge of the business meeting. The troop set the date for their next camping trip, which will be the 14th through the 17th of August. Scouts and their dads will go to Pike Lake for four days and the rest of the families will go on Sunday for a picnic.

A scrap drive was scheduled for Thursday, July 17 and the money received from this drive will be added up to the Scout Fund to purchase a large tent for camping trips.

Each Scout is to earn his own \$5.00 for camp expenses.

Those present were Scoutmaster and Mrs. Donald Hodge and son, Roger; Mr. and Mrs. Eugene Klontz and children, Frances and Vernon; Mr. and Mrs. Willard Dice and son, Randy; Mr. and Mrs. Fred Hodge and son David; Mr. and Mrs. Robert Creamer and daughters, Barbara and Bonnie; Mr. and Mrs. Grant Morgan, Alan Bartruff, Johnny and Mary Jo Minton, Craig Coil, Ricky Huff, Frankie Yoakum, Gracie Shubert, Helen Louise and Ruth Ann Sheeley, Eleanor and Marty Moats, Jim Cook, Mr. and Mrs. John Morgan and sons, Charles and J. P., and the host and hostess and children, Johnny, Penny and Glenn.

### ATTEND RECEPTION

Miss Beverly Allen, daughter of County Auditor and Mrs. Harry Allen, served as one of the receptionist at the Governor's Mansion Monday evening. This reception was held for people of Fayette, Union and Madison counties.

County Auditor and Mrs. Harry Allen, Mrs. Maurice Kelley and Mrs. Foster Kelley were among those attending the reception from this community.

### SONG FEST SUNDAY

A "Song Fest" will be held at the Milledgeville Methodist Church Sunday at 8 p. m. The four churches on the Milledgeville Charge, South Solon, Center, Spring Grove and Milledgeville, will participate in this service. The public is welcome to attend.

### PERSONALS

Sunday guests of Mr. and Mrs. Harry Hiser were Mrs. John Grim and daughter, Mrs. Dick Smith, of Columbus, and Mrs. W. P. Noble of Bloomingburg. Afternoon callers were Mr. and Mrs. Hugh Creamer. Mr. and Mrs. H. R. Allen were Sunday guests of their daughter and family, Mr. and Mrs. Lewis Redd, and family of Bloomingburg.

Mr. and Mrs. Robert Hupp and Mrs. Bernice Crowe were Saturday evening dinner guests of Mr. and Mrs. Robert Dunn and daughter, Melody, of Bloomingburg. Mr. and Mrs. C. F. Culberson of

Louisville, Ky., and Mrs. Lola Sutton, a patient of the Hurler Nursing Home, were Saturday callers at the home of Mrs. Floy Ferguson and other friends in Milledgeville.

Mr. and Mrs. Charles Wisbey and son, Jerry, of Cincinnati, Mr. and Mrs. Hoyt Bock and Mr. and Mrs. Marion Sanderson and daughters, Linda and Sandra, went to Rocky Fork Sunday for a picnic.

Mrs. W. P. Gault of Washington C. H. is spending a few days with her son and daughter-in-law, Mr. and Mrs. Malcom Gault.

Mr. and Mrs. Jackie West and daughter, Linda, visited Mr. and Mrs. Willis Fent Thursday evening. Billy Creamer is spending the week with his cousin, Carl Dean Whitaker, London.

Sunday dinner guests of Mrs. Bernice Crowe were Mr. and Mrs. Robert Hupp of Mt. Vernon, Mr. and Mrs. Robert Dunn and daughter, Melody, of Bloomingburg, Mr. and Mrs. Ted Crowe and son, Mike, and Mr. and Mrs. Donald Jenkins and children, Lynn and David.

Mr. and Mrs. Junior Satterfield and family, Cincinnati, and Mr. and Mrs. Bobby Lee Creamer, Columbus, were weekend guests of Mr. and Mrs. Robert Creamer and family. The Creamer family re-

# Breaking Point Awaited In Red-Hot NL Flag Race

By THE ASSOCIATED PRESS  
Who's going to crack first in the National League race? While three of the so-called contenders fade away, Milwaukee and San Francisco are stepping along just half a game apart, and the suddenly competitive Chicago Cubs are at their heels.

The Braves kept that half-game edge with a 6-5 decision at St. Louis Wednesday night after blowing a 4-0 lead. Just 0.08 percentage points behind are the Giants, who whipped Philadelphia's fizzling Phillies 9-2.

The Cubs kept their third-place perch, 2½ games behind Milwaukee, by running up a five-game streak for the first time this season, sweeping their second double-header in four days with comebacks 5-4 and 7-5 decisions over Cincinnati.

That gave the Redlegs a seven-game losing string, and they escaped the cellar only by virtue of Pittsburgh's 7-4 victory over Los Angeles.

Solo homers by Hank Aaron and Eddie Mathews, who hit a pair, gave it to the Braves in the fifth against reliever Chuck Stobbs.

## Birdie Sad As Redlegs Still Skid

CHICAGO (AP)—Birdie Tebbetts has a new problem with his skidding Cincinnati Redlegs.

What can you do when the team outthits its opponents, 11-10, clubs two home runs, four triples and three doubles and still loses?

That's what happened to the Redlegs in the second game of a doubleheader with the Chicago Cubs here Wednesday as the Cubs staged late-inning rallies in both contests to win, 5-4 and 7-5, and run the Cincinnati losing streak to seven games.

The double defeat actually knocked the Redlegs into last place in the National League for a few hours but they regained the seventh spot by five percentage points when Pittsburgh defeated Los Angeles Wednesday night.

All that slugging in the second game—a sadly missing item for the Redlegs in recent weeks—went down the drain when the pitching collapsed in the eighth and the Cubs scored three runs to wipe out a 5-4 Cincinnati lead.

But prior to that, the Redlegs had wasted some hitting. A double by Walt Dropo in the third, a triple by Johnny Temple in the fourth and a double by Alex Grammas in the eighth failed to develop into runs.

The first game defeat also was a tough one for Tebbetts to figure out. The Redlegs got only seven hits but they received six walks and were helped along by one Chicago error, two wild pitches, a balk and a passed ball.

## First Round Title May Be Decided In Game Tonight

The winner of the first round of play in the Little Major League could be decided tonight.

The Flashes and Kernels will tangle at Wilson Field at 7:30 p. m. If the Flashes win, the first half of the league will be tied.

However, if the Flashes lose, the first round championship will go to the Realtors.

If the Flashes win, a playoff game with the Realtors will be scheduled for 7:30 p. m. Monday at Wilson Field.

The second round of play in the Little Major League will begin Tuesday night.

## Hilliards Results

Wednesday Night  
First Race, 25 Trot, 1 Mile, \$100:  
Fancy Guy (Graham) 5.30, 3.40.

3rd: Abby C. (H. Moon) 2.40. Time, 2:10. Also started—Bud Wyoff, Rosey, Daisy Malone, Debbie Joan, Carter's Jane.  
Seventh, 2 Pace, 1 Mile, \$100:  
Navy Page (R. Near) 6.20, 4.20.  
2nd: Indian Song (R. Farrington) 5.40.  
3rd: Heifer (C. Norris) 2.40. Time, 2:08. Also started—Sy Abbie, Gold Song, Big Mac, Betina, Charlie Barrett.  
Eighth, 2 Pace, 1 Mile, \$100:  
Nancy's Mack (R. Crager) 8.00.  
2nd: Elie Vernon (G. L. Erdman) 4.80.  
3rd: Della Volo (H. Frost) 3.00. Time, 2:12. Also started—Budwell, Stride R. Rich, Single Argot, Chere L'Amour, Antenna.

(0-2). Mathews' first homer and Billy Bruton's first of the season helped Warren Spahn to a 4-0 lead, but the Cardinals took over with a five-run third capped by Ken Boyer's grand-slam.

Spahn, now 11-6, needed more help after the fifth. He got it from reliever Don MacMahon, who came on with the bases loaded in the eighth, and left fielder Andy Pafko, who made a diving catch of Don Blasingame long liner to end the eighth.

Things were easier for the Giants. They counted four runs in the second, three of them earned. Johnny Antonelli, who hit a two-run triple in the deciding second, won his 10th with a nine-hitter and had the Phils blanked until the seventh. Willie Mays cracked his slump, getting three hits for the first time since June 6, one a two-run double. Jack Sanford (6-8) lost his third in a row.

The Cubs, held to four hits for eight innings, won the opener with four consecutive hits off Harvey Haddix and loser Hal Jeffcoat in a three-run ninth inning. Bobby Thomson's two-run double put it away. Relievers Glen Hobbie and Don Elston didn't give the Reds a hit over the last 5-2-3 innings with Elston (7-5) winning his first since May 30.

In the nightcap, the Reds made 9 of their 11 hits good for extra bases, with Pete Whisenant hitting three solo homers. But the Cubs busted through with three in the eighth. Winning reliever Bill Henry singling home the winning run and Tony Taylor's single counting an insurance marker. Brooks Lawrence (6-7), who also gave up Ernie Banks' two-run 24th homer, lost his third in a row.

The Pirates took over fifth place as Hank Foiles clouted a three-run homer. Bill Mazeroski and Frank Thomas added solo shots. Bob Friend won his 11th.

The only race worth mentioning in the American League is the chase for the home run crown, and it's a pip.

There's only a four-homer gap between Boston's Jackie Jensen, the leader with 27, and defending champ Roy Sievers of Washington and early leader Bob Cerv of

## Zorros Beat Dames In Softball Game

Jumping off to a 9-0 lead in the first two innings, the Zorros held the Dames in check and went on to win, 13 to 5 in the girls softball game at Community Park Wednesday evening.

Sally Ayers and Donna Harris, each with four hits in four trips to the plate led the 23-hit Zorros attack. Karen Tyree was the heavy hitter for the Dames, getting three for three.

Pat Weaver, pitching for the Zorros, was nicked for 13 safeties, but she fanned seven.

The lineups, with runs and hits were:

Zorros — S. Ayers 2-4; P. Weaver 1-1; E. Harris 1-2; M. Harris 1-1; J. Weaver 3-3; D. Harris 3-4; V. Harris 1-3; F. Winfield 0-2; and B. Halthcock 1-3.  
Dames — F. Burns 0-1; K. Tyree 2-3; B. Tyree 0-1; C. Gray 0-0; S. Tyree 1-1; J. Upthegrove 0-2; B. Appleton 0-1; D. Upthegrove 0-1; B. Upthegrove 0-1; J. Myers 0-0; J. Baker 0-0; J. Harris 0-0; and V. Johns 2-2.

## Softball Game Won by Thorntons

A three-run rally in the last inning by the Hobbies was nipped just in time by the Thorntons, who claimed a victory, 12 to 10, in the men's softball game at Community Park Wednesday evening.

The Thorntons sewed up the game with two big innings. They scored five runs in the fourth and four in the sixth to add to the three they had tallied in the first three frames.

The Hobbies, consistent all the way, were unable to get an upsurge beyond a start. They played with only eight men, but committed two errors to four for the Thorntons.

Players, with runs scored and hits made, were:

Hobbie — DeWeese 2-1; Hobbie 2-2; Bandy 1-2; Hollingsworth 2-3; Geer 0-0; Domenico 0-0; Belles 2-1; and Merritt 1-1.  
Thornton — Carman 1-1; Williamson 2-3; Speelman 1-2; K. Lightie 1-1; I. Lightie 1-1; L. Wright 0-0; Carwell 2-2; Kesner 1-1; Thornton 1-2; and R. Wright 2-1.

## Durrelle Retains British Crown

MONTREAL (AP)—Yvon Durrelle, the durable fisherman from New Brunswick, still is the British Empire's light heavyweight champion. He can look forward now to a possible shot at world champion Archie Moore.

But South Africa's Mike Holt can expect more offers from this side of the Atlantic.

Durrelle retained his title Wednesday night when Holt was unable to answer the bell for the ninth round of their scheduled 12-round title fight after a bruising battle.

Kansas City, tied with 23, Mickey Mantle of New York, the hottest of 'em all, is in between with 24. For the record, they'll all be behind Babe Ruth's record 60 pace of 1927. He had 30 at about this stage.

Cerv, banged up with a broken jaw, broken toe and bruised hand of late, led the pack with 14 at the end of May, but has hit only 9 since. Jensen has hit 18 since May taking the lead with 14 in June. Mantle has hit 20 since May, swatting 10 in 18 games this month. Sievers has hit 16 since May, 5 this month and 3 in two days to overhaul Cerv.

Sievers, who led with 22 last season, ripped a pair of two-run shots Wednesday night, the second a two-out drive that capped a four-run ninth as the Senators beat Cleveland 7-6.

The other sluggers failed to hit one as the Yankees defeated Detroit 3-2 on Bob Turley's three-hitter, Boston beat Kansas City 5-2 and Baltimore split a twin-night pair with Chicago, winning 6-5 after a 6-1 White Sox victory.

## Joe Gordon Confused by Indian Plunge

WASHINGTON (AP)—While Cleveland Manager Joe Gordon complains, "This is a good ball club and I don't see why we can't win," the Indians keep losing and losing and losing.

Going into tonight's game with the last-place Washington Senators, the Tribe has dropped seven of its last eight games. Cleveland holds a one-game edge over the Senators and would slip into a virtual tie for the cellar by losing to Washington.

The Senators have triumphed in seven of their last nine games.

The Indians Wednesday night blew a three-run lead in the ninth inning to the Senators as slugging Roy Sievers slammed his 22nd and 23rd home runs to provide a 7-6 victory.

Don Mossi, who took over for starter Jim Grant, had pitched two hitless innings before the ninth. The Senators then rapped him for four straight singles and two runs. That made it 6-5 in favor of Cleveland.

As Sievers came up, Gordon summoned Ray Nleski from the bullpen to pitch to the right-handed swinger who earlier had poled a two-run homer off Grant.

On the second pitch, Sievers drove the ball into the centerfield bleachers. Tuesday night, Sievers' homer was the difference in a 5-4 Washington triumph.

## Flashes Beat Jets On 3-Hit Pitching

Scoring three runs in the first inning, the Flashes went on to win from the Jets 9 to 3 in a Little Major League battle at Wilson Field Wednesday night.

Pitcher Naylor limited the Jets to three safeties, one each by Jones, B. Kelley and Thomas.

Naylor struck out nine and walked three batters. Cummings banded a double for the winners while teammates Henderson and Matson collected two hits apiece.

## Plenty of Big Money Ready For Heavyweight Title Bout

SAN FRANCISCO (AP)—Texan Roy Harris collects \$100,000 but heavy weight boxing champion Floyd Patterson grabs far more when they battle in Los Angeles on Aug. 18 for his title. California's Athletic Commission heard part of the unique financial arrangements of the bout Wednesday before voicing final approval to the setup for Wrigley Field with theater television.

A novice promoter, Bill Rosensohn, former closed circuit TV official, testified more than an hour. He swore Al Weill wouldn't get a nickel from him and drew a plaudits from Commission Chairman Dan Kilroy for "straightforward answers."

Weill, who wasn't present, fared far worse. Refused a promoter's license to stage the Patterson-Harris fray during a hearing on June 24, his manager's license was lifted this time on a temporary suspension.

Weill, who managed former heavyweight kind Rocky Marciano, said he'd fight the suspension. Commissioners felt he hadn't given an adequate explanation last month of his acquaintance boxing figure from New York. Now they question the honesty of some of his answers.

Outlining financial arrangements of the bout to newsmen following the commission hearing, Rosensohn gave these highlights:

Harris will receive \$100,000 on a guarantee of his share of television and the gate. The television setup, contracted by Patterson's manager, Cus D'Amato, to teleprompter, Inc., gives Patterson's group 60 per cent with the other 40 per cent to the TV outfit.

Rosensohn, who resigned as a vice president of Teleprompter to promote this fight, estimated the TV setup would do a million dollar business.

"Teleprompter guarantees \$210,000," Rosensohn said. "Of this, \$100,000 is for Patterson's group."

## No-Hit Game Lost By Chow Outfit

Gifford pitched a no-hitter for the Chows in a Little Major League game at Armbrust Field Wednesday night but still got beat, 4 to 3, by the Redlegs.

His lack of control — he gave eight walks — and three errors by his teammates enabled the Redlegs to score their runs.

Blade was the winning pitcher. He gave up only five safeties.

Players, with runs scored and hits made, were:

Redlegs — B. Wilson 0-0; J. Shyrook 0-0; Flowers 0-0; Deiber 0-0; Blade 0-0; Stewart 0-0; Anders 2-1; Kilgore 0-0; Orner 0-0; Wells 0-0; Penwell 0-0; Coulter 0-0; Sword 2-0; Barger 0-0; Riley 0-0; I. Wells 0-0; and Foster 0-0.

Chows — Carson 0-0; Wood 1-1; Riley 0-1; Stemple 1-1; Inskeep 1-0; Gifford 0-1; Bryant 0-1; Shipley 0-0; Holden, 0-0; and Beuchler 0-0.

## Dorothy Knode Seeks 3rd Title

CHICAGO (AP)—Mrs. Dorothy Knode says it would be "quite a thrill" to win a third National Clay Courts singles title. And she's well on her way.

Winner of the 1951 and 1955 crowns, Mrs. Knode showed no mercy Wednesday in whipping Marie Vidas of Hinsdale, Ill., 6-0, 6-1, in second round play at suburban River Forest.

No woman ever has won three National Clay Court singles titles. Mrs. Knode feels she is at the top of her game but is wary of Karol Fageros, seeded right behind her, although she has beaten the blonde Miami miss in their last three meetings.

IT'S SO EASY TO PLACE A WANT AD.

'INEVITABLE' - Baseball commissioner Ford Frick tells a Senate subcommittee that expansion of the major leagues is an "inevitable" move. He added that it will come about through larger leagues, not by franchise shifts.

## Outdoor Basketball Underway at Park

Hank Anders' team defeated Webb Ellis' outfit, 53 to 41, in a practice basketball game Wednesday night on the court in Community Park.

English was the big scorer for the winners as he racked up 24 points. Kuhn led the losers with 11 tallies.

The players, with number of points scored, were:

Anders team — Cox, 2; Bently, 14; Biddle, 3; Welch, 0; English, 24; and Anders, 10.

Ellis team — Hidy, 8; Dawson, 5; Sparkman, 6; Kuhn, 11; Woodward, 3; Wead, 3; Mason, 0; East, 0; and Ellis, 5.

Another practice game will be played tonight between teams made up by Dick English and Fulton Terry. It will begin at 6 p. m.

Fred Domenico, recreation director, said that he hopes to start regular play in the basketball league Monday night. At present there are five teams in the league and another one is being sought.

In the men's softball scheduled for tonight at the park, Med-O-Pure will meet the NCR boys at 6:30 o'clock.

The girls' league will have the Jetettes and the Mary Kilgore team playing at 6 p. m.

## Babe Ruth League Park May Have Lights Soon

The Babe Ruth League baseball teams may be playing under lights before the season ends.

John Breiner, spokesman for the Washington Babe Ruth Assn., said that poles for the lights for Rossmann Field are expected in this week.

The eight poles that will be set around the fence are coming from a Marion firm. Holes for the poles will be dug by the Dayton Power

## Free-Scoring Game Is Won by Bray's

In a loosely played Babe Ruth game at Rossmann Field Wednesday night, Brays toppled New Holland, 14 to 9.

Brays hurler, Flowers, pitching his first game this year, had New Holland under control through the first five innings.

During that time he gave up only one run but in the sixth, he tried and New Holland exploded for eight tallies.

Flowers fanned three and walked 6. He also hit two batters with pitched balls.

Stillings led the Brays hitters with two singles. Matson, the losing pitcher, allowed 10 hits, fanned five and walked nine.

The Brays helped their win by turning in a fast double play.

## Archery Meet Sunday To Be Near Hillsboro

The Highland County Bow Hunters will hold a public shoot next Sunday.

It will be at the archery range seven miles west of Hillsboro between routes 50 and 138. The range is a field course.

Anyone is welcome to participate and prizes will be awarded.

Other net scores were Mrs. Harry Townsend 58; Mrs. Robert Link 43; Miss Davis 46; Mrs. Byers Shaw 45; Mrs. Robert Hagerty 41; Mrs. Dwight Coffman 54; Mrs. Paul Pennington 47; Mrs. Garringer 44; Mrs. Omar Schwartz 44; Mrs. Frank Dawson 44; Mrs. Griffiths 49; Mrs. Marvin Roszman 44; Mrs. Howard Harper 46; Mrs. Max Lawrence 43; Mrs. Mary Gillespie 42; Mrs. Schue 44; Mrs. Cumming 47; Mrs. William Junk 42; Mrs. Neil Helfrich 41 and Mrs. Scott Harner 45.

Mrs. Coffman and Miss Davis were hostesses for the luncheon following the morning's golf.

## OHIO WESLEYAN Signs Shannon

DELAWARE (AP)—Frank Shannon, 41, president of the Ohio High School Basketball Coaches' Assn., has been named as the new Ohio Wesleyan University basketball coach.

Now basketball coach at Urbana High School in Champaign County, Shannon succeeds Bob Strimer at Ohio Wesleyan. Strimer resigned after 12 years to devote all of his time to the athletic directorship at the university.

A graduate of Wittenberg College in 1940, Shannon has been coaching high schools 11 years. He spent five years in the Army.

## DAILY CRYPTOQUOTE — Here's how to work it: AXYDLBAAXR IS LONG FELLOW

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.

## DiSalle Urges Ohio Democrats To Attend O'Neill's Picnics

IRONTON, Ohio (AP)—If Republican Gov. C. William O'Neill doesn't have a big crowd at his Governor's Day picnic tonight in Athens, it won't be the fault of Michael V. DiSalle, O'Neill's Democratic opponent.

DiSalle toured the Sixth Congressional District, which includes Athens County, Wednesday and at each stop urged his audience to attend the governor's campaign extravaganza. The Toledo Democrat said:

"The sooner we can sop up this money (Funds for the picnics) the sooner we get to the issues of this campaign and get it off the carnival circuit.

"Don't worry if you don't have a ticket; go anyway. You'll get there. It's a bargain you can hardly afford to miss. I urge you to go."

DiSalle's tour of the district wound up here after stops at McArthur, Pomeroy, Gallipolis, Wellston, Athens and Lancaster. The tour also marked the end of this week's caravaning by DiSalle.

Although he spent most of his time jibing at the GOP picnics, DiSalle also attacked O'Neill's claims of expanding mental health facilities and what DiSalle said was a delay of nine months in appointing a commission to construct a new state office building.

He said the governor's claims of Ohio ahead of all other states in construction of mental hospitals are based on a program started under the administration of former Democratic Gov. Frank J. Lausche.

"All of this is typical of the dynamic action the state has not received in the past year and a half," the candidate said.

NEW PHILADELPHIA, Ohio (AP)—An estimated 7,000 persons from seven counties turned out at Tuscora Park Wednesday to hear Gov. C. William O'Neill campaign for re-election, to shake his hand and to eat a free lunch.

Visitors to the rally, fourth in a series of Governor's Day programs O'Neill is staging, made a line nearly an eighth of a mile long and three and four abreast at the park entrance. Seated in the baseball park

bleachers, the guests heard the governor give a 15-minute accounting of his administration's achievements.

Food was dispensed by a crew of nearly 50 persons at a big tent. A Columbus caterer supplied ham, beef, cold cuts, cheese, ice cream, coffee and soft drinks.

Earlier Governor's Day rallies were held in Lebanon, Chillicothe and Columbus. The fifth of the series comes up tonight at Athens.

## Police Press Their Hunt For Escapee

CAMBRIDGE, Ohio (AP)—Authorities continued their search of a wooded area in northwestern Noble County today for Herman Maroni, 30, of St. Clairsville, an escapee from a Florida prison believed hiding in that area.

The search began Tuesday night, when Maroni and another escapee, Robert Kubat, 22, who was later captured, were seen in Bethesda in Monroe County near Ohio's east border. The two escaped July 7. Both were serving sentences for armed robbery.

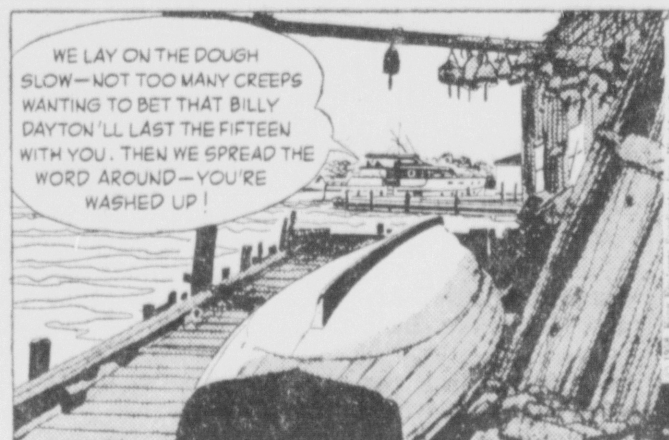

Kubat was arrested Wednesday shortly after the two were seen in an abandoned farm house in neighboring Noble County. He offered no resistance and was not armed.

Kubat told authorities that Maroni was armed and had promised he would not be taken without a fight.

Scores of state highway patrolmen, sheriff's deputies from many southeastern Ohio counties and civilian volunteers took part in the search Wednesday. But when darkness came the search was stopped and the area where Maroni was believed hiding was ringed in.

All roads were blocked and police searched Baltimore & Ohio Railroad trains which run through the area.

In the national elections in Sweden in June, Communists did not electioneer in several districts in which they had been previously active.

## Mt. Union Signs Ashbaugh as Pilot

ALLIANCE OF — Mount Union College has announced the appointment of Wayne Ashbaugh, 45-year-old coach of Zanesville former state high school champs, as head basketball coach.

He also will serve as a football assistant and teach a physical education class. Terms of the contract were not disclosed. He succeeds George Hunter, who resigned to become varsity basketball coach at Army.

Ashbaugh went to Zanesville in 1954, from Louisville, Stark County, and coached the Blue Devils to a state Class AA championship in 1955. Last season, after going undefeated in 17 regular games, the Zanesville squad reached the state semifinals, bowing to Cleveland East Tech, the champs.

NOTICE OF APPOINTMENT  
 Estate of Josephine T. Patton. Deceased. Notice is hereby given that Nelson Patton Kay, 1020 Millwood Avenue, Washington, D. C., Ohio, has been duly appointed Executor of the estate of Josephine T. Patton, deceased, late of Fayette County, Ohio. Creditors are required to file their claims with said Executor within four months or forever be barred.

ROBERT L. BRUBAKER  
 Judge of the Probate Court  
 Fayette County, Ohio

No. E-6907  
 Date July 7, 1958  
 Attorney Rollo M. Marchant

## Jupiter IRBM Nose Cone Recovered after Space Trip

CAPE CANAVERAL, Fla. (AP)—The Army blasted a mighty Jupiter intermediate-range ballistic missile 1,500 miles across the Atlantic today and recovered its nose cone after a successful reentry from space.

The recovery of the cone was announced about two hours after the missile thundered aloft.

It was the second time a full-scale IRBM nose cone survived the fiery drive from space through the earth's atmosphere at a speed of 10,000 m.p.h., and was recovered.

The Army's missile chief, Dr. Werner von Braun, observed the spectacular launching.

Officials announced that the recovery today and the first one May 18 "affirmed that Army missile men have found a satisfactory solution to the warhead protection problem."

THE JUPITER, which is expected to provide the first stage for the Army's moon rocket, went off with a mighty roar at 4:05 a. m.

It climbed straight up throwing off a thick stream of white flame that illuminated the Florida sky for miles.

After 70 seconds, the missile moved toward a horizontal course and drove toward the horizon.

The 69-foot rocket was visible for more than 13 minutes.

The cone was instrumented to separate from the missile body somewhere in outer space.

The cone's descent was slowed down by a parachute released

automatically at a specified altitude.

As soon as it hit the water, a balloon was released and a location buoy inflated to hold the cone near the surface.

The USS Escape, one of four specially equipped ships in the Navy's recovery team, plucked the cone from the sea near Antigua Island an hour and 36 minutes after it streaked back from space.

## Jack Knisley Buys Pontiac Agency Here

Purchase of the former Boyd Pontiac Co., 1159 Columbus Ave., by Jack Knisley, a partner in the firm since last November, was announced formally Thursday.

Graden Boyd, who has operated the business since 1951, has not yet disclosed his future plans. He will first take a vacation.

Knisley, who lives at 834 Lincoln St., will operate the business as the Knisley Pontiac Co. His son, Ronny, will be associated with him in the operation of the agency which includes a modern service department and body shop. The firm also sells Vauxhall cars, made in Luton, England, under Pontiac supervision.

KNISLEY SAID that all present employees will be retained. They include Eldon Humphreys, service manager, who has had 15 years of experience in the field, and Mary Lou Chrisman, bookkeeper.

Operating policies will remain the same except that the agency will be open in the evenings for the convenience of the public, Knisley said.

The new owner formerly was a partner in Roller Haven on the CCC Highway west, which he constructed. Prior to that time he owned and operated a restaurant in New Holland.

## Blessed Events

Mr. and Mrs. James O. Carpenter, Route 3, Mt. Sterling, are the parents of a 7-pound, 6-ounce daughter, born in Memorial Hospital at 8:30 a. m. Wednesday.

Mr. and Mrs. Theodore C. McCoy, Hillsboro, announce the birth of a 6-pound, 3-ounce daughter in Memorial Hospital at 1:05 a. m. Thursday.

Mr. and Mrs. Danny Schlichter, Route 1, Jeffersonville, are the parents of a 7-pound, 13-ounce son, born in Memorial Hospital at 3:50 a. m. Thursday.

Mr. and Mrs. Kenneth Kirk, Route 2, New Holland, announce the birth of an 8-pound, 4-ounce son in Memorial Hospital at 11:45 p. m. Wednesday.

Mr. and Mrs. Gerald Spangler, Greenfield, are the parents of a 5-pound, 12-ounce daughter, born in Memorial Hospital at 7:14 a. m. Thursday.

Your eye fluid which makes tears has a germ-killing function.

## Mainly About People

Charles Wallace, Columbus Rd., was taken from the General Motors Corp. plant in Columbus, where he is employed, by the Columbus Emergency Squad to Mt. Carmel Hospital Monday for observation and treatment. His room number is 317. Wallace is the son-in-law of Mr. and Mrs. M. J. Whitfield.

Nancy Jean is the name chosen by Mr. and Mrs. Richard T. Eckle of 704 Briar Ave. for their daughter born in Memorial Hospital Saturday.

Pfc. Elden C. Brown has returned to the Marine Base at China Lake, Calif., after spending a 30-day leave with his parents, Mr. and Mrs. Chester Brown, Route 5. Brown's address is 1690485 MCG-MTU NOTS, China Lake, Calif.

Mr. and Mrs. Rollo Carlson, 1011 Orvilla Ave., have chosen the name Bradley Kirk for their son born in Memorial Hospital Thursday July 3.

Mr. and Mrs. W. C. Stewart returned home Thursday from Zanesville where they attended funeral services for Mr. Stewart's brother, Mr. C. O. Stewart.

Mr. and Mrs. Fred D. Duncan of Grove City have named their son Jeffrey Dean. He was born in Memorial Hospital Sunday.

## Stolen Car Is Recovered In Kentucky

A car stolen from a Washington C. H. doctor last week has been recovered in Erlanger, Ky., according to city police.

Police Chief D. V. Long was notified Thursday morning that the 1955 Buick stolen from Dr. E. H. McDonald, 509 S. Fayette St. July 8 while it was parked on Market St., was being held by Erlanger police.

One mar was picked when the car was recovered by the Erlanger police. He has been turned over to the Federal Bureau of Investigation for taking the car across a state line, Chief Long said.

McDonald's insurance company has sent a man to Kentucky to return his car. The car apparently is in running condition, the insurance agent said.

Chief Long said if the man is not prosecuted by federal authorities, he will be brought here for prosecution.

The penalty for taking a car across state lines, a federal offense, is more severe than the penalty for stealing a car within a state, Chief Long explained.

## State Rights Bill Nears House Vote

WASHINGTON (AP)—A controversial states rights bill reached the voting stage in the House today, with the opposition apparently heavily outnumbered.

Backers of the court-curbing measure predicted passage by a margin of 2-1 or better.

The unusually brief bill—its 74 words long—says in effect that when there are state and federal laws dealing with the same subject, the federal law doesn't supersede the state act unless there is a direct and irreconcilable conflict or unless Congress, when enacting the federal law, expressly gave it a priority.

## Courts

### DIVORCE SUIT FILED

Jane Ann (McCoy) Campbell, Rt. 4, has filed suit for divorce from Russell W. Campbell in Common Pleas Court, alleging gross neglect and extreme cruelty.

The parties were married Nov. 8, 1954, in Richmond, Ind., and have three minor children of whom the plaintiff asks custody. She also asks that the court restrain the defendant from disturbing or molesting her or the children and that he be ordered to stay away from the home.

### HUSBAND SEEKS DECREE

James Potts, 1013 John St., charges neglect and cruelty in a divorce action brought against his wife, Ruth L. in Common Pleas Court. They were married in 1928 in West Union and have no children.

### DIVORCE GRANTED

Margene Ater, Route 3, has been granted a divorce from John D. Ater, Washington C. H. in Common Pleas Court on her allegations of gross neglect. The plaintiff was granted custody of minor children, and the plaintiff was ordered to pay \$35 per week for their support. The plaintiff was given the defendant's interest in the household goods as alimony.

### Gunman's Draw Is Fast But Finger Is Faster

ALAMOSA, Colo. (AP)—Walter G. Morgan's draw may be fast, but his trigger finger is faster. The 28-year-old Pueblo man shot himself in the thigh while demonstrating his quick draw. The bullet lodged near the knee. Morgan, whose performance was given before two companions, was taken to an Alamosa hospital.

### Blood Tag Law Set

BATON ROUGE, La. (AP)—A law to force the American Red Cross to label blood plasma shipped into Louisiana according to race goes into effect July 30.

## Wrong Way Corrigan Made Flight 20 Years Ago Today

SANTA ANA, Calif. (AP)—Twenty years ago today a pint-sized county fair daredevil named Douglas Corrigan flew a rickety ocean-banned monoplane from New York to Ireland.

And Corrigan still avers that a compass error sent his \$900 plane winging to Dublin instead of Long Beach, Calif.

The 3,150-mile flight caught the fancy of a depression-glum era and earned the brash young pilot the nickname "Wrong Way Corrigan."

"My compass froze — I guess I flew the wrong way," Corrigan

blandly told authorities who had nixed the hop.

An overnight sensation, Corrigan returned to a hero's welcome in the United States and tickertape receptions, banquets, a movie contract and a lifetime membership in the Celebrated Liars Club of Burlington, Wis.

Corrigan, 51 now, lives the life of a country squire with his wife and three sons on his 20-acre orange grove. He's added a few pounds, but still has the toothy Irish grin and the unruly shock of hair so familiar to newspaper readers of 1938.

And he likes nothing better than to reminisce about his flight.

Corrigan earned about \$85,000 from lectures, magazine articles, a book and a motion picture, "The Flying Irishman." He managed to keep about \$50,000, he said, and most of what's left is invested in his orange grove.

Corrigan has flown a friend's light plane just enough to keep up his license. His famous plane is in storage, and the Texas-born pilot hopes someday to reassemble it and donate it to an aviation museum.

## Business Notes

J. W. Wallace, assistant cashier of The First National National Washington C. H., Wednesday completed an agricultural training program dealing with problems related to the field of agricultural credit and farm management.

The training consisted of a series of meetings sponsored by the Department of Agricultural Economics of Ohio State University in cooperation with Banc Ohio Corp. Professors Ray Bailey and Lester Arnold, of the Department of Agricultural Economics, were the instructors.

Twenty-two bankers from 18 Ohio communities participated in the program, which began April 16. These meetings were held in Columbus, for the purpose of assisting commercial bankers in keeping abreast with the rapidly changing problems in the fields of farm management and farm credit.

### Odd Mishap Kills Boy

COLUMBUS (AP)—Robert Crew, 11, of Columbus, died Wednesday, apparently of injuries suffered when an empty wading pool toppled over on him.

## Six Building Permits Issued in 16 Days

A \$25,400 permit for a private residence to Harold McCord, Mayfair Dr., was the biggest among the six issued in an otherwise quiet first half of July, records in the city auditor's office show. The six permits total \$31,000.

Dr. J. H. Persinger, 1106 Gregg St., was issued a \$4,200 permit for a private residence. Byron E. Elars 1018 Briar Ave., received a permit for the amount of \$600 for a garage.

Other permits issued during the first 16 days of July: Robert Sanderson, 417 Van Deman St., addition for lavatory, \$300; C. E. Stookey, 319 E. McElwain St. addition to garage, \$100; and Mrs. Ira Walker, 1041 S. Fayette St., addition for bath, \$400.

## Softball Team Formed By FOP and FOPA Here

The Fraternal Order of Police and Associates have formed a softball team that will hold its first practice Friday at 6 p. m. at the girl's softball diamond, according to Max Lawrence, team manager. He announced that the team will be composed of FOP and FOPA members and will play in the Community Park league.

All members interested in playing are to attend the Friday practice.
